**LEASE AMENDED:**

**Lease is hereby changed and the following is hereby substituted in lieu thereof:**

**LEASE TERM.**

If you move out before the Ending Date, your Rent for the remainder of the Lease Term is still payable by you to us as you have violated the Lease Agreement. If you have not or do not intend to move in to your Apartment on or after the starting date of your Lease Agreement you are still obligated to all terms and financial obligations under this Lease Agreement. A buy-out clause or cancellation fee is not applicable. You may be able to release your rights under this Lease Agreement for the same terms and conditions to another person provided the Manager gives written consent, but our consent is at our sole discretion. Your obligations will be terminated under this Lease Agreement once the Replacement Resident has completed all necessary paperwork, all fees are submitted to Manager, and Manager approves and executes the Lease Agreement for the Replacement Resident. Should your request to transfer your rights under this Lease Agreement be approved, you also have to pay us a reletting charge equal to \$300.00, which charge will serve to partially defray our costs in making the Premises available for reletting and for reletting the Premises. The reletting charge is not a cancellation fee, buy-out fee or a limitation of damages collectable by us.

**RENT AND ADDITIONAL CHARGES.** You will pay us the Rent (Base Rent and Additional Rent and any other fees or charges which are payable by you at the same time installments of Rent are payable) on or before the date on which it is due and without us having to make demand for payment. The Rent is payable at the Manager's office at the Manager's Address (or at such other place as we may notify you in writing). All checks should be made payable to Landlord. Post-dated checks will not be accepted and will be returned to the Resident. Resident may also pay Rent via the Resident Portal via either credit card, debit card, or ACH. Resident agrees and understands that these payments are processed by a third-party payment processor (the "payment processor") and have payment processing fees that are charged and collected by the payment processor. These payment processing fees are not collected or charged by Landlord or any of its affiliated entities and the fee amounts can be found at [americancampus.com/zego-fees](http://americancampus.com/zego-fees). **Cash will not be accepted. Except as provided by law, you have no right to withhold or offset any part of your Rent for any purpose, even an Act of God, or to reduce any Rent payable to us by any of your costs or damages.** At our option, we can require that rent, fees, or charges payable to us be paid in either certified or cashier's check, money order or personal check. In addition if two (2) payments for Rent are returned to us or declined due to insufficient funds, we will require that all money payable to us be paid in either certified or cashier's check or money order. Personal check and/or ACH payments will not be accepted.

- a. Regardless of whether it is a holiday or weekend, Rent is due on the first (1st) day of each month. Rent is late if Rent is received by Manager on or after the fourth (4<sup>th</sup>) day of the month, and Manager will charge you (and you agree to pay) a late fee of 10% of the rental installment. You also agree to pay \$30.00 for each returned check or nonsufficient/rejected/declined electronic payment, (plus any fees charged to us by our bank) plus the above late charges until we receive acceptable payment.
- b. At our option and without notice to you, any payment that we receive may be applied first to your obligations which do not constitute Rent and, then to Rent (with any past due Rent being paid first), regardless of whether or not you have made notations on payments and regardless of when or how the obligation came about.
- c. While we do not have to, we can accept partial payment of Rent, but we do not waive our rights to collect and enforce the payment of the remainder of such Rent. The fact that the Manager may accept a partial payment does not imply that the Manager accepts the account as being current. In the event that your Rent is not paid in full, Manager will charge you (and you agree to pay) late fees on any outstanding balance. In addition, Landlord's acceptance of any payment marked "final payment" or "paid in full" does not absolve Resident of any outstanding balance.
- d. You are liable for all costs or charges associated with our having to provide additional services to you or at your request and for all fees or charges as described in the Apartment Community Rules and Regulations (the "Rules and Regulations") which are attached to this Lease Agreement. Additional policies and regulations may be provided to the Resident on or before move-in day and will be outlined in the Resident Handbook. Resident agrees to review this document and acknowledge receipt as applicable.

**RESIDENT INFORMATION.** If you or the Guarantor has supplied information to us by means of a rental application or similar instrument, you represent that all such information is true and correct and was given by you and the Guarantor voluntarily and knowingly. You further represent that you understand and agree that your contact information will be shared with your roommate(s) as needed for roommate matching and room assignment purposes. Further, you acknowledge that if there is a need to disclose information regarding you and/or your rental history to law enforcement; a federal, state, or local governmental body; or another third party for governmental, legal, safety, or business purposes, Manager will provide the requested information as necessary or appropriate, including when disclosure is permitted or required by law.

**INSURANCE.** Resident agrees to maintain the required insurance coverages described in the attached **Required Insurance Addendum to Lease Agreement.**

**NOTICE FOR DWELLINGS LOCATED IN FLOODPLAINS.** Landlord is not aware that the dwelling you are renting is located in a 100-year floodplain. Even if the dwelling is not in a 100-year floodplain, the dwelling may still be susceptible to flooding. The Federal Emergency Management Agency (FEMA) maintains a flood map on its Internet website that is searchable by address, at no cost, to determine if a dwelling is located in a flood hazard area. Most tenant insurance policies do not cover damages or loss incurred in a flood. You should seek insurance coverage that would cover losses caused by a flood.

**UTILITY AND FEE ADDENDUM**

**UTILITIES AND SERVICES:** Owner agrees to furnish services listed below. Except for utilities provided by Owner, Resident agrees that all utilities and services paid for by Resident will be in Resident’s name prior to, but not later than, the Starting Date of the Lease Term. Resident acknowledges that all utilities will be used for normal household purposes only and shall not be disconnected at any time during the term of this Lease Agreement. Owner is not responsible for any discomfort, inconvenience or damage of any kind caused by the interruption or failure of any services. Owner is not responsible for outages or lapses caused by outside providers or for Resident’s use of the Internet. Resident must separately pay for all charges for local and long distance phone service, additional or private lines, information and 911 calls.

**Utilities and Services:** Owner will pay for the following items, if marked:

- gas
- water
- wastewater
- electricity
- trash
- recycling
- cable/satellite
- internet
- Pest Control
- stormwater/drainage
- other \_\_\_\_\_.

Conservation Cap (if applicable) \$25.00.

All other utilities will be billed to the Resident as detailed below.

Resident will be charged for the full period of time from the Starting Date of the Lease Term in the Lease Agreement until the Ending Date of the Lease Term, regardless of whether Resident physically occupies the Apartment. The billing methods described above may be changed by Owner by providing Resident with prior written notice as required under applicable law and Resident acknowledges that in certain situations it is necessary to make a change to the billing method.

**Payments:** If it is necessary for Owner to pay any costs or repairs due to Resident’s failure to pay; failure to activate any utility under Resident’s name; or if Resident disconnects any utility before the Ending Date of the Lease Term of this Lease Agreement, then Resident, subject to applicable law will reimburse Owner for such amount plus \$50.00 for administrative costs and the total amount is payable by Resident as additional Rent. Resident is responsible for paying for all utilities that are in Resident’s name during the term of the Lease Agreement even if Resident moves out prior to the Ending Date of the Lease Term. Should Owner pay any utility charges on behalf of Resident, Resident shall be jointly and severally liable with Resident’s roommates to Owner for such charges which shall be considered additional Rent. At Owner’s option, Resident may be pre-billed for a reasonable estimation of charges for any unbilled period to be calculated based on prior utility charges within the Apartment and in accordance with any applicable utility billing laws and regulations. If Owner uses an outside vendor to provide billing services, Owner has the right to charge Resident for such services, and such amount will be payable by Resident as additional Rent unless prohibited under applicable law. Utility bills will be issued by Zego, unless otherwise notified by the Landlord. You must pay your monthly bill by the due date contained in your monthly utility statement.

**Accounts:** Note that if Resident resides in an area that offers deregulated utility services, Resident may contract with any of the applicable deregulated providers in lieu of being billed pursuant to the methods set forth herein (assuming all Residents in the Apartment agree to use that provider on one bill). Should Resident wish to change the billing option to use a deregulated provider during the course of the Lease Agreement term, Resident must notify Owner in writing. No change in billing options is permitted until all Residents have paid all amounts due under the current option.

**ELECTRICITY:**

**Direct Meter with Cap:**

**Electricity:** Owner will remain the customer of record for electricity. The local electricity provider measures electric usage in each Apartment and bills Owner directly for such charges. The bill will be sent to Resident by a third-party billing provider. Electricity charges for each Apartment will be divided equally by the number Residents with an executed lease agreement in each Apartment to come up with each Resident’s charge. Resident agrees that Owner may estimate any and all utility charges upon Resident’s move-out (or at any other time) and such amounts shall be deemed final.

**CONSERVATION CAP:** Owner will bill Resident for all electricity charges but will give Resident a credit up to a maximum of the Conservation Cap for electricity. Your monthly bill will cover only electricity consumed within your Apartment which exceeds the Conservation Cap for electricity. In the event the electricity charges for the Apartment exceed the Conservation Cap for electricity in a month, then Owner shall bill each of the Residents of the Apartment an equal share of the overage, which shall be deemed Rent for the following month. In the event the monthly charges are less than the Conservation Cap for electricity listed above, no refund or credit will be applied to your account, but you will not incur any electricity charges due for that month. You must pay your monthly bill by the due date contained in your monthly utility statement. Resident agrees that Owner may estimate any and all utility charges upon Resident’s move-out (or at any other time) and such amounts shall be deemed final.

**Right to examine records.** You may examine our electrical bills from the utility company and our calculations relating to the monthly allocation of the electricity bills during regular weekday office hours. While it is not required, please give us reasonable advance notice to gather the data.

**ALLOCATION OF SERVICES AND GOVERNMENT FEES:**

Resident Initials:

Guarantor Initials:

  
 \_\_\_\_\_  
 \_\_\_\_\_

**Reason for allocation.** Landlord receives bills for services provided to Residents and charges for various governmental fees. These are direct costs that the Apartment Community incurs. In order to help control the cost of Rent, the Landlord has chosen to allocate the services and governmental fees indicated below through an allocated bill using a standardized formula to distribute these costs fairly. While the Landlord may impose a nominal fee to help recover our costs in administering these bills, Landlord does not add any other costs to these bills and make no profit off of them. Resident agrees that if a city, utility or other local government agency implements such a fee or service charge during the term of this Lease Agreement, Owner may begin to bill Resident for such fee or service charge upon thirty (30) days' written notice.

**Services and governmental fees allocated.** Landlord will allocate the following services and governmental fees:

- Cable/satellite television
- Stormwater/drainage
- Trash removal/recycling
- Street repair/maintenance fee
- Emergency services fee
- Conservation district fee
- Inspection fee
- Registration/license fee
- Pest Control
- Other
- Other
- Other
- Other
- Other

**Allocation procedures.** Resident agrees to the system of allocating the fees and costs listed above as described below. During the Lease Term, Landlord is authorized to allocate the monthly cost for the items listed above for the Apartment Community. Resident's monthly Rent under the Lease Agreement does *not* include a charge for these costs. Instead, you will be receiving a separate bill from us for such service and will be considered Rent owed. The formula for allocating the monthly cost of the items listed above for Resident's Apartment will be on the basis of:

- the number of Residents with an executed lease agreement in the Apartment Community

**Pest Control.** Owner shall provide the following services with regard to pest control: monitoring, extermination and treatment of routine pest activity as set forth in Owner's agreement with its pest control vendor or otherwise subject to Owner's sole discretion. You agree to pay a proportional share of monitoring, exterminating and treating routine pest activity if listed above. The phrase "routine pest activity" shall not include activity that requires more than one treatment by the pest control vendor in a thirty (30) day period or any activity related to bed bugs, fleas, or lice. This monthly charge shall not relieve Resident of any responsibility for the cost associated with additional or special treatment of the Apartment, or costs for which Resident is responsible pursuant to the terms of the Lease Agreement.

**Administrative Fee.** Resident will receive monthly billing statements. Monthly billing statements will include a bill processing fee of \$3.00. The fee represents the reasonable value of services provided by Owner, or the billing company of Owner's choosing to allocate the above costs to the responsible parties, provide billing, and process payments. The monthly processing fee is subject to change upon sixty (60) days' written notice of increase sent by first class mail to Resident.

The owner shall provide notice of the proposed change at least 35 days prior to implementing the new method.
- (d) Change from submetered to allocated billing. An owner shall not change from submetered billing to allocated billing, except after receiving written approval from the commission after a demonstration of good cause and if the rental agreement requirements under subsections (a), (b), and (c) of this section have been met. Good cause may include:
  - (1) equipment failures; or
  - (2) meter reading or billing problems that could not feasibly be corrected.

The owner may not bill tenants for any dwelling unit base charges applicable to unoccupied dwelling units.
- (b) Customer service charge. If the retail public utility's rate structure includes a customer service charge, the owner shall bill each dwelling unit the amount of the customer service charge divided by the total number of dwelling units, including vacant units, that can receive service through the master meter serving the tenants.
- (c) Calculations for submetered utility service. The tenant's submetered charges must include the dwelling unit base charge and customer service charge, if applicable, and the gallonage charge and must be calculated each month as follows:
  - (1) water utility service: the retail public utility's total monthly charges for water service (less dwelling unit base charges or customer service charges, if applicable), divided by the total monthly water consumption measured by the retail public utility to obtain an average water cost per gallon, liter, or cubic foot, multiplied by the tenant's monthly consumption or the submeteric rate charged by the retail public utility to the owner multiplied by the tenant's monthly water consumption;

  
 \_\_\_\_\_

- (2) wastewater utility service: the retail public utility's total monthly charges for wastewater service (less dwelling unit base charges or customer service charges, if applicable), divided by the total monthly water consumption measured by the retail public utility, multiplied by the tenant's monthly consumption or the volumetric wastewater rate charged by the retail public utility to the owner multiplied by the tenant's monthly water consumption;
  - (3) service charge for manufactured home rental community or the owner or manager of apartment house: a manufactured home rental community or apartment house may charge a service charge in an amount not to exceed 9% of the tenant's charge for submetered water and wastewater service, except when:
    - (A) the resident resides in a unit of an apartment house that has received an allocation of low income housing tax credits under Texas Government Code, Chapter 2306, Subchapter DD; or
    - (B) the apartment resident receives tenant-based voucher assistance under United States Housing Act of 1937 Section 8, (42 United States Code, §1437f); and final bill on move-out for submetered service: if a tenant moves out during a billing period, the owner may calculate a final bill for the tenant before the owner receives the bill for that period from the retail public utility. If the owner is billing using the average water or wastewater cost per gallon, liter, or cubic foot as described in paragraph (1) of this subsection, the owner may calculate the tenant's bill by calculating the tenant's average volumetric rate for the last three months and multiplying that average volumetric rate by the tenant's consumption for the billing period.
  - (a) Calculations for allocated utility service.
    - (1) Before an owner may allocate the retail public utility's master meter bill for water and sewer service to the tenants, the owner shall first deduct:
      - (A) dwelling unit base charges or customer service charge, if applicable; and
      - (B) common area usage such as installed landscape irrigation systems, pools, and laundry rooms, if any, as follows:
        - (i) if all common areas are separately metered or submetered, deduct the actual common area usage;
        - (ii) if common areas that are served through the master meter that provides water to the dwelling units are not separately metered or submetered and there is an installed landscape irrigation system, deduct at least 25% of the retail public utility's master meter bill;
        - (iii) if all water used for an installed landscape irrigation system is metered or submetered and there are other common areas such as pools or laundry rooms that are not metered or submetered, deduct at least 5% of the retail public utility's master meter bill; or
        - (iv) if common areas that are served through the master meter that provides water to the dwelling units are not separately metered or submetered and there is no installed landscape irrigation system, deduct at least 5% of the retail public utility's master meter bill.
    - (2) To calculate a tenant's bill:
      - (A) for an apartment house, the owner shall multiply the amount established in paragraph (1) of this subsection by:
        - (i) the number of occupants in the tenant's dwelling unit divided by the total number of occupants in all dwelling units at the beginning of the month for which bills are being rendered; or
        - (ii) the number of occupants in the tenant's dwelling unit using a ratio occupancy formula divided by the total number of occupants in all dwelling units at the beginning of the retail public utility's billing period using the same ratio occupancy formula to determine the total. The ratio occupancy formula will reflect what the owner believes more accurately represents the water use in units that are occupied by multiple tenants. The ratio occupancy formula that is used must assign a fractional portion per tenant of no less than that on the following scale:
          - (I) dwelling unit with one occupant = 1;
          - (II) dwelling unit with two occupants = 1.6;
          - (III) dwelling unit with three occupants = 2.2; or
          - (IV) dwelling unit with more than three occupants = 2.2 + 0.4 per each additional occupant over three; or
        - (iii) the average number of occupants per bedroom, which shall be determined by the following occupancy formula. The formula must calculate the average number of occupants in all dwelling units based on the number of bedrooms in the dwelling unit according to the scale below, notwithstanding the actual number of occupants in each of the dwelling unit's bedrooms or all dwelling units:
          - (I) dwelling unit with an efficiency = 1;
          - (II) dwelling unit with one bedroom = 1.6;
          - (III) dwelling unit with two bedrooms = 2.8;
          - (IV) dwelling unit with three bedrooms = 4 + 1.2 for each additional bedroom; or
        - (iv) a factor using a combination of square footage and occupancy in which no more than 50% is based on square footage. The square footage portion must be based on the total square footage living area of the dwelling unit as a percentage of the total square footage living area of all dwelling units of the apartment house; or
        - (v) the individually submetered hot or cold water usage of the tenant's dwelling unit divided by all submetered hot or cold water usage in all dwelling units;
      - (B) a condominium manager shall multiply the amount established in paragraph (1) of this subsection by any of the factors under subparagraph (A) of this paragraph or may follow the methods outlined in the condominium contract;
      - (C) for a manufactured home rental community, the owner shall multiply the amount established in paragraph (1) of this subsection by:
        - (i) any of the factors developed under subparagraph (A) of this paragraph; or
        - (ii) the area of the individual rental space divided by the total area of all rental spaces; and
      - (D) for a multiple use facility, the owner shall multiply the amount established in paragraph (1) of this subsection by:
        - (i) any of the factors developed under subparagraph (A) of this paragraph; or
        - (ii) the square footage of the rental space divided by the total square footage of all rental spaces.
- If a tenant moves in or out during a billing period, the owner may calculate a bill for the tenant. If the tenant moves in during a billing period, the owner shall prorate the bill by calculating a bill as if the tenant were there for the whole month and then charging the tenant for only the number of days the tenant lived in the unit divided by the number of days in the month multiplied by the calculated bill. If a tenant moves out during a billing period before the owner receives the bill for that period from the retail public utility, the owner may calculate a final bill. The owner may calculate the tenant's bill by calculating the tenant's average bill for the last three months and multiplying that average bill by the number of days the tenant was in the unit divided by the number of days in that month.

- (d) Conversion to approved allocation method. An owner using an allocation formula other than those approved in subsection
- (e) of this section shall immediately provide notice as required under §24.279(c) of this title (relating to Rental Agreement) and either:
  - (1) adopt one of the methods in subsection (e) of this section; or

- (2) install submeters and begin billing on a submetered basis; or
- (3) discontinue billing for utility services.

**§24.283. Billing.**

(a) Monthly billing of total charges. The owner shall bill the tenant each month for the total charges calculated under §24.281 of this title (relating to Charges and Calculations). If it is permitted in the rental agreement, an occupant or occupants who are not residing in the rental unit for a period longer than 30 days may be excluded from the occupancy calculation and from paying a water and sewer bill for that period.

(b) Rendering bill.

- (1) Allocated bills shall be rendered as promptly as possible after the owner receives the retail public utility bill.
- (2) Submeter bills shall be rendered as promptly as possible after the owner receives the retail public utility bill or according to the time schedule in the rental agreement if the owner is billing using the retail public utility's rate.
- (c) Submeter reading schedule. Submeters or point-of-use submeters shall be read within three days of the scheduled reading date of the retail public utility's master meter or according to the schedule in the rental agreement if the owner is billing using the retail public utility's rate.

(d) Billing period.

- (1) Allocated bills shall be rendered for the same billing period as that of the retail public utility, generally monthly, unless service is provided for less than that period.
- (2) Submeter bills shall be rendered for the same billing period as that of the retail public utility, generally monthly, unless service is provided for less than that period. If the owner uses the retail public utility's actual rate, the billing period may be an alternate billing period specified in the rental agreement.

(e) Multi-item bill. If issued on a multi-item bill, charges for submetered or allocated utility service must be separate and distinct from any other charges on the bill.

(f) Information on bill. The bill must clearly state that the utility service is submetered or allocated, as applicable, and must include all of the following:

- (1) total amount due for submetered or allocated water;
- (2) total amount due for submetered or allocated wastewater;
- (3) total amount due for dwelling unit base charge(s) or customer service charge(s) or both, if applicable;
- (4) total amount due for water or wastewater usage, if applicable;
- (5) the name of the retail public utility and a statement that the bill is not from the retail public utility;
- (6) name and address of the tenant to whom the bill is applicable;
- (7) name of the firm rendering the bill and the name or title, address, and telephone number of the firm or person to be contacted in case of a billing dispute; and
- (8) name, address, and telephone number of the party to whom payment is to be made.

(g) Information on submetered service. In addition to the information required in subsection (f) of this section, a bill for submetered service must include all of the following:

- (1) the total number of gallons, liters, or cubic feet submetered or measured by point-of-use submeters;
- (2) the cost per gallon, liter, or cubic foot for each service provided; and
- (3) total amount due for a service charge charged by an owner of a manufactured home rental community, if applicable.

(h) Due date. The due date on the bill may not be less than 16 days after it is mailed or hand delivered to the tenant, unless the due date falls on a federal holiday or weekend, in which case the following work day will be the due date. The owner shall record the date the bill is mailed or hand delivered. A payment is delinquent if not received by the due date.

(i) Estimated bill. An estimated bill may be rendered if a master meter, submeter, or point-of-use submeter has been tampered with, cannot be read, or is out of order; and in such case, the bill must be distinctly marked as an estimate and the subsequent bill must reflect an adjustment for actual charges.

(j) Payment by tenant. Unless utility bills are paid to a third-party billing company on behalf of the owner, or unless clearly designated by the tenant, payment must be applied first to rent and then to utilities.

(k) Overbilling and underbilling. If a bill is issued and subsequently found to be in error, the owner shall calculate a billing adjustment. If the tenant is due a refund, an adjustment must be calculated for all of that tenant's bills that included overcharges. If the overbilling or underbilling affects all tenants, an adjustment must be calculated for all of the tenants' bills. If the tenant was undercharged, and the cause was not due to submeter or point-of-use submeter error, the owner may calculate an adjustment for bills issued in the previous six months. If the total undercharge is \$25 or more, the owner shall offer the tenant a deferred payment plan option, for the same length of time as that of the underbilling. Adjustments for usage by a previous tenant may not be back billed to a current tenant.

(l) Disputed bills. In the event of a dispute between a tenant and an owner regarding any bill, the owner shall investigate the matter and report the results of the investigation to the tenant in writing. The investigation and report must be completed within 30 days from the date the tenant gives written notification of the dispute to the owner.

(m) Late fee. A one-time penalty not to exceed 5% may be applied to delinquent accounts. If such a penalty is applied, the bill must indicate the amount due if the late penalty is incurred. No late penalty may be applied unless agreed to by the tenant in a written lease that states the percentage amount of such late penalty.

**§24.285. Complaint Jurisdiction.**

- (a) Jurisdiction. The commission has exclusive jurisdiction for violations under this subchapter.
- (b) Complaints. If an apartment house owner, condominium manager, manufactured home rental community owner, or other multiple use facility owner violates a commission rule regarding utility costs, the person claiming the violation may file a complaint with the commission and may appear remotely for a hearing.

**§24.287. Submeters or Point-of-Use Submeters and Plumbing Fixtures.**

- (a) Submeters or point-of-use submeters.
- (1) Same type submeters or point-of-use submeters required. All submeters or point-of-use submeters throughout a property must use the same unit of measurement, such as gallon, liter, or cubic foot.
- (2) Installation by owner. The owner shall be responsible for providing, installing, and maintaining all submeters or point-of-use submeters necessary for the measurement of water to tenants and to common areas, if applicable.

- (3) Submeter or point-of-use submeter tests prior to installation. No submeter or point-of-use submeter may be placed in service unless its accuracy has been established. If any submeter or point-of-use submeter is removed from service, it must be properly tested and calibrated before being placed in service again.
- (4) Accuracy requirements for submeters and point-of-use submeters. Submeters must be calibrated as close as possible to the condition of zero error and within the accuracy standards established by the American Water Works Association (AWWA) for water meters. Point-of-use submeters must be calibrated as closely as possible to the condition of zero error and within the accuracy standards established by the American Society of Mechanical Engineers (ASME) for point-of-use and branchwater submetering systems.
- (5) Location of submeters and point-of-use submeters. Submeters and point-of-use submeters must be installed in accordance with applicable plumbing codes and AWWA standards for water meters or ASME standards for point-of-use submeters, and must be readily accessible to the tenant and to the owner for testing and inspection where such activities will cause minimum interference and inconvenience to the tenant.
- (6) Submeter and point-of-use submeter records. The owner shall maintain a record on each submeter or point-of-use submeter which includes:
  - (A) an identifying number;
  - (B) the installation date (and removal date, if applicable);
  - (C) date(s) the submeter or point-of-use submeter was calibrated or tested;
  - (D) copies of all tests; and
  - (E) the current location of the submeter or point-of-use submeter.
- (7) Submeter or point-of-use submeter test on request of tenant. Upon receiving a written request from the tenant, the owner shall either:
  - (A) provide evidence, at no charge to the tenant, that the submeter or point-of-use submeter was calibrated or tested within the preceding 24 months and determined to be within the accuracy standards established by the AWWA for water meters or ASME standards for point-of-use submeters; or
  - (B) have the submeter or point-of-use submeter removed and tested and promptly advise the tenant of the test results.
- (8) Billing for submeter or point-of-use submeter test.
  - (A) The owner may not bill the tenant for testing costs if the submeter fails to meet AWWA accuracy standards for water meters or ASME standards for point-of-use submeters.
  - (B) The owner may not bill the tenant for testing costs if there is no evidence that the submeter or point-of-use submeter was calibrated or tested within the preceding 24 months.
  - (C) The owner may bill the tenant for actual testing costs (not to exceed \$25) if the submeter meets AWWA accuracy standards or the point-of-use submeter meets ASME accuracy standards and evidence as described in paragraph (7)(A) of this subsection was provided to the tenant.
- (9) Bill adjustment due to submeter or point-of-use submeter error. If a submeter does not meet AWWA accuracy standards or a point-of-use submeter does not meet ASME accuracy standards and the tenant was overbilled, an adjusted bill must be rendered in accordance with §24.283(k) of this title (relating to Billing). The owner may not charge the tenant for any underbilling that occurred because the submeter or point-of-use submeter was in error.
- (10) Submeter or point-of-use submeter testing facilities and equipment. For submeters, an owner shall comply with the AWWA's meter testing requirements. For point-of-use meters, an owner shall comply with ASME's meter testing requirements.
  - (b) Plumbing fixtures. After January 1, 2003, before an owner of an apartment house, manufactured home rental community, or multiple use facility or a manager of a condominium may implement a program to bill tenants for submetered or allocated water service, the owner or manager shall adhere to the following standards:
    - (1) Texas Health and Safety Code, §372.002, for sink or lavatory faucets, faucet aerators, and showerheads;
    - (2) perform a water leak audit of each dwelling unit or rental unit and each common area and repair any leaks found; and
    - (3) not later than the first anniversary of the date an owner of an apartment house, manufactured home rental community, or multiple use facility or a manager of a condominium begins to bill for submetered or allocated water service, the owner or manager shall:
      - (A) remove any toilets that exceed a maximum flow of 3.5 gallons per flush; and
      - (B) install toilets that meet the standards prescribed by Texas Health and Safety Code, §372.002.
  - (c) Plumbing fixture not applicable. Subsection (b) of this section does not apply to a manufactured home rental community owner who does not own the manufactured homes located on the property of the manufactured home rental community.

## CHAPTER 25. SUBSTANTIVE RULES APPLICABLE TO ELECTRIC SERVICE PROVIDERS.

### Subchapter G. SUBMETERING.

#### §25.142. Submetering for Apartments, Condominiums, and Mobile Home Parks.

- (a) **Purpose.**  
This section implements Texas Utilities Code §184.014.
- (b) **Definitions.** The following words and terms, when used in this section, shall have the following meanings, unless the context clearly indicates otherwise.
- (1) **Apartment house** -- One or more buildings containing more than five dwelling units, each of which is rented primarily for non-transient use with rent paid at intervals of one week or longer. The term includes a rented or owner-occupied residential condominium.
  - (2) **Dwelling unit** -- One or more rooms suitable for occupancy as a residence and that contain kitchen and bathroom facilities, or a mobile home in a mobile home park.
  - (3) **Master meter** -- A meter used to measure, for billing purposes, all electric usage of an apartment house or mobile home park, including common areas, common facilities, and dwelling units.
  - (4) **Month or monthly** -- The period between any two consecutive meter readings by the utility, either actual or estimated, at approximately 30-day intervals.
  - (5) **Owner** -- Any owner, operator, or manager of any apartment house or mobile home park engaged in electric submetering.
  - (6) **Electric submetering** -- Individual dwelling unit metering of electric service performed by the owner.
- (c) **Records and reports.**
- (1) The owner shall maintain and make available for inspection by the tenant the following records:
    - (A) the billing from the utility or retail electric provider to the apartment owner for the current month and the 12 preceding months;
    - (B) the calculation of the average cost per billing unit, *i.e.*, kilowatt-hour for the current month and the 12 preceding months;
    - (C) all submeter readings and tenant billings for the current month and the 12 preceding months;
    - (D) all submeter test results for the current month and the 12 preceding months.
  - (2) Records shall be made available at the resident manager's office during reasonable business hours or, if there is no resident manager, at the dwelling unit of the tenant at the convenience of both the apartment owner and tenant.
  - (3) All records shall be made available to the commission upon request.
- (d) **Billing.** All rental agreements between the owner and the tenants shall clearly state that the dwelling unit is submetered, that the bills will be issued thereon, that electrical consumption charges for all common areas and common facilities will be the responsibility of the owner and not of the tenant, and that any disputes relating to the computation of the tenant's bill and the accuracy of the submetering device will be between the tenant and the owner. Each owner shall provide a tenant, at the time the lease is signed, a copy of this section or a narrative summary as approved by the commission to assure that the tenant is informed of his rights and the owner's responsibilities under this section.
- (1) **Rendering and form of bill.**
- (A) Bills shall be rendered for the same billing period as that of the electric utility, generally monthly, unless service is rendered for less than that period. Bills shall be rendered as promptly as possible following the reading of the submeters. The submeters shall be read within three days of the scheduled reading date of the electric utility's master meter.
  - (B) The billing unit shall be that used by the electric utility in its billing to the owner.

## CHAPTER 25. SUBSTANTIVE RULES APPLICABLE TO ELECTRIC SERVICE PROVIDERS.

### Subchapter G. SUBMETERING.

- (C) The owner shall be responsible for determining that the energy billed to any dwelling unit shall be only for that submetered and consumed within that unit.
- (D) Submetered billings shall not be included as part of the rental payment or as part of billings for any other service to the tenant. A separate billing must be issued or, if issued on a multi-item bill, submetered billing information must be separate and distinct from any other charges on the bill and conform to information required in subparagraph (H) of this paragraph. The submetered bill must clearly state "submetered electricity."
- (E) The bill shall reflect only submetered usage. Utility consumption at all common facilities will be the responsibility of the owner and not of the tenant. Allocation of central systems for air conditioning, heating and hot water is not prohibited by this section as set forth in §25.141 of this title (relating to Central System or Nonsubmetered Master Metered Utilities).
- (F) The owner shall not impose any extra charges on the tenant over and above those charges which are billed by the retail electric provider or utility to the owner. The bill may not include a deposit, late penalty, reconnect charge, or any other charges unless otherwise provided for by these sections.
  - (i) A one-time penalty not to exceed 5.0% may be made on delinquent accounts. If the penalty is applied, the bill shall indicate the amount due if paid by the due date and the amount due if the late penalty is incurred. No late penalty may be applied unless agreed to by the tenant in a written lease which states the exact dollar or percentage amount of the late penalty.
  - (ii) In a mobile home park a reconnect fee may be applied for a mobile home not leased by the mobile home park owner if service to the pad site tenantis ~~not~~ DS

DS  

disconnected for non-payment of submetered bills in accordance with subsection (e)(1) of this section. Such reconnect fee shall be calculated based on the average actual cost to the owner for the expenses associated with the reconnection, but under no circumstances shall exceed \$10. No reconnect charge may be applied unless agreed to by the tenant in a written lease which states the exact dollar amount of such reconnect charge.

- (G) The tenant's submeter bills shall be calculated in the following manner: after the electric bill is received from the utility or retail electric provider, the owner shall divide the net total charges for electrical consumption, plus applicable tax, by the total number of kilowatt-hours to obtain an average cost per kilowatt-hour. The average kilowatt-hour cost shall then be multiplied by each tenant's kilowatt-hour consumption to obtain the charge to the tenant. The computation of the average cost per kilowatt-hour shall not include any penalties charged by the utility or the retail electric provider to the owner for disconnect, reconnect, late payment, or other similar service charges.
- (H) The tenant's electric submeter bill shall show all of the following information:
  - (i) the date and reading of the submeter at the beginning and at the end of the period for which the bill is rendered;
  - (ii) the number of billing units metered;
  - (iii) the computed rate per billing unit;
  - (iv) the total amount due for electricity used;
  - (v) a clear and unambiguous statement that the bill is not from the utility or retail electric provider, which shall be named in the statement;
  - (vi) the name and address of the tenant to whom the bill is applicable;
  - (vii) the name of the firm rendering the submetering bill and the name or title, address, and telephone number of the person or persons to be contacted in case of a billing dispute;

**CHAPTER 25. SUBSTANTIVE RULES APPLICABLE TO ELECTRIC SERVICE PROVIDERS.**

**Subchapter G. SUBMETERING.**

- (viii) the date by which the tenant must pay the bill; and
- (ix) the name, address, and telephone number of the party to whom payment is to be made.
- (2) **Due date.** The due date of the bill shall not be less than seven days after issuance. A bill for submetered service is delinquent if not received by the party indicated on the bill by the due date. The postmark date, if any, on the envelope of the bill or on the bill itself shall constitute proof of the date of issuance. An issuance date on the bill shall constitute proof of the date of issuance if there is no postmark on the envelope or bill. If the due date falls on a holiday or weekend, the due date for payment purposes shall be the next work day after the due date.
- (3) **Disputed bills.** In the event of a dispute between the tenant and the owner regarding any bill, the owner shall promptly make an investigation as shall be required by the particular case, and report the results to the tenant. The investigation and report shall be completed within 30 days from the date the tenant notified the owner of the dispute.
- (4) **Tenant access to records.** The tenants of any dwelling unit whose electrical consumption is submetered shall be allowed by the owner to review and copy the master billing for the current month's billing period and for the 12 preceding months, and all submeter readings of the entire apartment house or mobile home park for the current month and for the 12 preceding months.
- (5) **Estimated bills.** Estimated bills shall not be rendered unless the meter has been tampered with or is out of order, and shall be distinctly marked "estimated bill".
- (6) **Overbilling and underbilling.** If submetered billings are found to be in error, the owner shall calculate a billing adjustment. If the tenant is due a refund, an adjustment shall be made for the entire period of the overcharges. If the tenant was undercharged, the owner may backbill the tenant for the amount which was underbilled. The backbilling is not to exceed six months unless the owner can produce records to identify and justify the additional amount of backbilling. If the underbilling is \$50 or more, the owner shall offer to the tenant a deferred payment plan option, for the same length of time as that of the underbilling. However, in a mobile home park, the mobile home park owner may not disconnect electric service to a mobile home not leased by the mobile home park owner if the pad site tenant fails to pay charges arising from an underbilling more than six months prior to the date the tenant was initially notified of the amount of the undercharges and the total additional amount due. Furthermore, adjustments for usage by a previous tenant may not be backbilled to the current tenant.
- (7) **Level and average payment plans.** An owner may offer a level payment plan or average payment plan consistent with this paragraph.
  - (A) The payment plan may be one of the following methods:
    - (i) A level payment plan allowing eligible tenants to pay on a monthly basis a fixed billing rate of one-twelfth of that tenant's estimated annual consumption at the appropriate rates, with provisions for quarterly adjustments as may be determined based on actual usage.
    - (ii) An average payment plan allowing tenants to pay on a monthly basis one-twelfth of the sum of that tenant's current month's consumption plus the previous 11 month's consumption (or an estimate thereof, for a new customer) at the appropriate customer class rates, plus a portion of any unbilled balance. Provisions for annual adjustments as may be determined based on actual usage shall be provided. If at the end of a year the owner determines that he has collected an amount different than he has been charged by the utility or retail electric provider,

Resident Initials:

Guarantor Initials:

the owner must refund any overcollection and may surcharge any undercollection over the next year.

**CHAPTER 25. SUBSTANTIVE RULES APPLICABLE TO ELECTRIC SERVICE PROVIDERS.**

**Subchapter G. SUBMETERING.**

- (B) Under either of the plans outlined in subparagraph (A) of this paragraph the owner is prohibited from charging the tenant any interest that may accrue. Any seasonal overcharges or undercharges will be carried by the owner of the complex.
- (C) A mobile home park owner, pursuant to subsection (e) of this section, if the pad site tenant does not fulfill the terms of a level payment plan or an average payment plan.
- (D) The owner may collect a deposit from all tenants entering into level payment plans or average payment plans; the deposit will not exceed an amount equivalent to one-sixth of the estimated annual billing. Notwithstanding any other provision in these sections, the owner may retain said deposit for the duration of the level or average payment plan; however, the owner shall pay interest on the deposit as is provided in §25.24 of this title (relating to Credit Requirements and Deposits).

(e) **Discontinuance of electric service.**

- (1) **Application.** This subsection applies only to mobile homes in a mobile home park that are not leased by the mobile home park owner. Disconnection of any other dwelling unit by the owner is governed by Texas Property Code §92.008(b).
- (2) **Disconnection for delinquent bills.**
  - (A) Electric service may be disconnected only for nonpayment of electric bills. A pad site tenant's electric service may be disconnected if a bill has not been paid within 12 days from the date of issuance and proper notice has been given. Proper notice shall consist of a separate mailing or hand delivery at least five days prior to a stated date of disconnection, with the words "termination notice" or similar language prominently displayed on the notice. The notice shall include the office or street address where a tenant can go during normal working hours to make arrangements for payment of the bill and for reconnection of service.
  - (B) Under these provisions, a pad site tenant's electric service may be discontinued only for nonpayment of electric service.
- (3) **Disconnection on holidays or weekends.** Unless a dangerous condition exists, or unless the pad site tenant requests disconnection, electric service shall not be disconnected on a day, or on a day immediately preceding a day, when personnel of the mobile home park are not available for the purpose of making collections and reconnecting electric service.
- (4) **Disconnection under special circumstances.**

- (6) **Bill adjustment due to conversion.** If, during the 90-day period preceding the installation of meters or submeters, an owner increases rental rates, and such increase is attributable to increased costs of electric service, then such owner shall immediately reduce the rental rate by the amount of such increase and shall refund all of the increase that has previously been collected within the 90-day period.
- (7) **Location of submeters.** Submeters, service switches, or cut-off valves in conjunction with the submeters shall be installed in accordance with the latest edition of ANSI, Standard C12, and will be readily accessible for reading, testing, and inspection, with minimum interference and inconvenience to the tenant.

REQUIRED INSURANCE ADDENDUM TO LEASE AGREEMENT

This Addendum is attached to and made part of the Lease Agreement effective for the Lease Term beginning Fall 2023. Resident is required to maintain and provide to Manager evidence of the following minimum required insurance coverage for the Premises for the entire duration of the Lease Term:

- \$100,000 Limit of Liability policy covering Resident’s legal liability for damage to the Landlord’s property for no less than the following causes of loss: fire, smoke, explosion, water damage or backup or overflow of sewer, drain or sump.
• The policy must also list Landlord as an additional interest or interested party using the contact information provided: American Campus Communities, LLC. c/o LeaseTrack PO BOX 38060 Albany, NY 12203

Resident is required to furnish Manager acting on behalf of the Landlord, with the evidence of minimum required insurance prior to occupancy of leased Premises and at the time of each lease renewal period.

If at any time during the Lease Term Resident does not have the minimum required insurance, Resident is in breach of the Lease Agreement. If a breach of the Lease Agreement occurs before occupancy of the Premises, Landlord may immediately terminate the Lease Agreement and refuse to give possession of the unit. If Resident has taken possession of the unit, Landlord will provide notice of the breach, which Resident will have 15 days to cure. Upon failure to cure the breach, Landlord shall have, in addition to any other rights under the Lease Agreement, this Addendum, or applicable laws, the right to terminate the Lease Agreement or the right to purchase the minimum required insurance coverage and seek reimbursement from the Resident for all costs and expenses associated with such purchase.

Resident may obtain minimum required insurance or broader coverage from an insurance agent or insurance company of Resident’s choice. If Resident furnishes Manager evidence of such insurance and maintains the insurance for the duration of the Lease Agreement, then nothing more is required. If Resident does not maintain minimum required insurance, the insurance requirement of this Lease Agreement will be satisfied by Landlord, who will schedule the Resident’s unit for coverage under the Landlord Required Legal Liability insurance policy (“LLL”). The carrier, coverage, and agent utilized for the LLL shall be at the sole option of Landlord, and the coverage provided under the LLL will provide the minimum required insurance coverage listed above. If Resident’s unit is covered under the LLL, an amount equal to the total cost of the LLL coverage (premium, taxes, and Administrative Expense Fee) shall be charged to Resident by the Landlord, and shall be considered Additional Rent due under the Lease Agreement to the extent permitted by law, and Resident agrees to reimburse Landlord for such fees.

Resident acknowledges and agrees that:

1. LLL is designed to fulfill the minimum insurance requirement of the Lease Agreement. Landlord is the Insured under the LLL. Resident is not the Insured under the LLL policy and therefore Resident is afforded no individual protection or coverage for losses under the LLL policy. Landlord and Resident are not co-insureds under the same liability policy at any time during the Lease Term.
2. LLL coverage is not personal liability insurance or renters’ insurance. Resident is responsible for obtaining Resident’s own property, casualty, and liability insurance. All property kept or stored on the Premises shall be at Resident’s own risk and Resident agrees to indemnify and hold Landlord harmless from any injury, loss, claims, demands, suits or, judgments arising out of damages to same, including claims by Resident’s insurance carrier, to the fullest extent permissible by law. WE STRONGLY ENCOURAGE YOU TO CARRY RENTER’S INSURANCE. Resident acknowledges that the LLL does NOT cover the Resident’s personal property (contents of the unit) nor additional living expenses due to displacement or liability arising out of bodily injury to any third party, to the fullest extent permitted by law. Resident understands that if Resident currently carries Renter’s Insurance proof of the policy must be provided to the Manager prior to move-in inclusive of the declaration page and proof of Landlord being named as an interested party.
3. Resident acknowledges that Landlord and Manager have no liability for any damage or loss to Resident’s personal property to the fullest extent permitted by law.
4. Coverage under the LLL policy may be more expensive than the cost of minimum required insurance obtainable by Resident elsewhere. At any time, Resident may contact an insurance agent or insurance company of their choice for insurance options to satisfy the minimum required insurance under this Lease Agreement.
5. Licensed insurance agents may receive a commission on the LLL policy.
6. The total cost to the Resident for the Landlord obtaining LLL coverage shall be \$12.00 per monthly rental installment, and shall be considered Additional Rent due under the Lease Agreement to the extent permitted by law. This includes premium payable to the LLL insurer, which includes taxes and fees due to state insurance and governing bodies and an Administrative Expense Fee to the Landlord for the expense of processing monthly payments and administering the program.
7. In the event that damages exceed that stated required minimum limits of the insurance coverage, Resident shall remain liable to the Landlord for any excess damages.
8. In the event of liability to any party other than the Landlord for damage to the Landlord’s property, Resident shall remain liable to such other party.
9. The insurance required under this Addendum and the existence or limits of any such insurance will not reduce or supersede Resident’s obligations under their Lease Agreement.

Scheduling under the LLL policy is not mandatory and Resident may purchase and provide to Manager evidence of minimum required insurance or broader coverage from an insurance agent or insurance company of Resident’s choice at any time and coverage under the LLL policy will be terminated upon Landlord receiving proof of insurance that meets the minimum required limits.

In any lawsuit to enforce the provisions of this Guaranty, the prevailing party shall be entitled to recover reasonable attorney's fees from the nonprevailing party, including all out-of-pocket costs of litigation as set forth in the Lease. This Guaranty may be enforced against Guarantor without the necessity of recourse against Resident or any other party. The validity or enforceability of this Guaranty shall not be affected by the invalidity or unenforceability of the Lease or Resident's lack of sufficient legal capacity to enter into the Lease.
