

FLOOD DISCLOSURE NOTICE

In accordance with Texas law, we are providing the following flood disclosure:

- We are or are not aware that the unit you are renting is located in a 100-year floodplain. If neither box is checked, you should assume the unit is in a 100-year floodplain. Even if the unit is not in a 100-year floodplain, the unit may still be susceptible to flooding. The Federal Emergency Management Agency (FEMA) maintains a flood map on its Internet website that is searchable by address, at no cost, to determine if a unit is located in a flood hazard area. Most renter’s insurance policies do not cover damages or loss incurred in a flood. You should seek insurance coverage that would cover losses caused by a flood.
- We are or are not aware that the unit you are renting has flooded (per the statutory definition below) at least once within the last five years.

As defined in Texas Property Code 92.0135(a)(2), “flooding” means “a general or temporary condition of a partial or complete inundation of a dwelling caused by: (A) the overflow of inland or tidal waters; (B) the unusual and rapid accumulation of runoff or surface waters from any established water source such as a river, stream, or drainage ditch; or (C) excessive rainfall.”

Bed Bug Addendum

Please note: We want to maintain a high-quality living environment for you. It's important to work together to minimize the potential for bed bugs in your dwelling and others. This Addendum outlines your responsibility and potential liability when it comes to bed bugs.

1. Addendum. This is an addendum between the Residents and Owner as described in the Lease for the dwelling described below:
 Apt. # 8 at Place to Be
Properties, as agent for the owner

 _____ (name of apartments)
 or other dwelling located at _____

 _____ (street address of house, duplex, etc.)
 _____ (city)
 _____ (state) _____ (zip).

2. Purpose. This addendum modifies the Lease Contract to address any infestation of bed bugs (*Cimex lectularius*) that might be found in the dwelling or on your personal property. We will rely on representations that you make to us in this addendum.

3. Inspection and Infestations. We are not aware of any current evidence of bed bugs or bed-bug infestation in the dwelling.

BY SIGNING THIS ADDENDUM, YOU REPRESENT THAT:

- **YOU HAVE INSPECTED THE DWELLING BEFORE MOVING IN OR SIGNING THIS ADDENDUM, AND YOU DID NOT FIND ANY EVIDENCE OF BED BUGS OR BED-BUG INFESTATIONS, OR**
- **YOU WILL INSPECT THE DWELLING WITHIN 48 HOURS AFTER MOVING IN OR SIGNING THIS ADDENDUM AND WILL NOTIFY US OF ANY BED BUGS OR BED-BUG INFESTATION.**

4. Access for Inspection and Pest Treatment. You must allow us and our pest-control agents access to the dwelling at reasonable times to inspect for or treat bed bugs. We can also inspect and treat adjacent or neighboring dwellings to the infestation, even if those dwellings are not the source or cause of the known infestation. Simultaneously as we treat the dwelling, you must, at your expense, have your personal property, furniture, clothing, and possessions treated according to accepted treatment methods by a licensed pest-control firm that we approve. You agree not to treat the dwelling for a bed-bug infestation on your own.

5. Notification. You must promptly notify us:

- of any known or suspected bed-bug infestation or presence in the dwelling, or in any of your clothing, furniture, or personal property;
- of any recurring or unexplained bites, stings, irritations, or sores on the skin or body that you believe are caused by bed bugs, or by any condition or pest you believe is in the dwelling; AND
- if you discover any condition or evidence that might indicate the presence or infestation of bed bugs, or if you receive any confirmation of bed-bug presence by a licensed pest-control professional or other authoritative source.

6. Cooperation. If we confirm the presence or infestation of bed bugs, you must cooperate and coordinate with us and our pest-control agents to treat and eliminate them. You must follow all directions from us or our agents to clean and treat the dwelling and building that are infested. If you don't cooperate with us, you will be in default and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease.

7. Responsibilities. You may be required to pay all reasonable costs of cleaning and pest-control treatments incurred by us to treat your dwelling unit for bed bugs. If we confirm the presence or infestation of bed bugs after you move out, you may be responsible for the cost of cleaning and pest control. If we have to move other residents in order to treat adjoining or neighboring dwellings to your dwelling unit, you may have to pay any lost rental income and other expenses we incur to relocate the neighboring residents and to clean and perform pest-control treatments to eradicate infestations in other dwellings. If you don't pay us for any costs you are liable for, you will be in default and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease, and we may take immediate possession of the dwelling. If you don't move out after your right of occupancy has been terminated, you will be liable for holdover rent under the Lease.

8. Transfers. If we allow you to transfer to another dwelling in the community because of the presence of bed bugs, you must have your personal property and possessions treated according to accepted treatment methods or procedures established by a licensed pest-control professional. You must provide proof of such cleaning and treatment to our satisfaction.

**This Addendum is part of your Lease.
 You are legally bound by this document. Please read it carefully.**

LEASE TERMS AND CONDITIONS

1. **Definitions.** The following terms are commonly used in this Lease:
 - 1.1. **"Residents"** are those listed in "Residents" above who sign this Lease and are authorized to live in the apartment.
 - 1.2. **"Occupants"** are those listed in this Lease who are also authorized to live in the apartment, but who do not sign this Lease.
 - 1.3. **"Owner"** may be identified by an assumed name and is the owner only and not property managers or anyone else.
 - 1.4. **"Including"** in this Lease means "including but not limited to."
 - 1.5. **"Community Policies"** are the written apartment rules and policies, including property signage and instructions for care of our property and amenities, with which you, your occupants, and your guests must comply.
 - 1.6. **"Rent"** is monthly base rent plus additional monthly recurring fixed charges.
 - 1.7. **"Lease"** includes this document, any addenda and attachments, Community Policies and Special Provisions.
2. **Apartment.** You are leasing the apartment listed above for use as a private residence only.
 - 2.1. **Access.** In accordance with this Lease, you'll receive access information or devices for your apartment and mailbox, and other access devices including: _____
_____.
 - 2.2. **Measurements.** Any dimensions and sizes provided to you relating to the apartment are only approximations or estimates; actual dimensions and sizes may vary.
 - 2.3. **Representations.** You agree that designations or accreditations associated with the property are subject to change.
3. **Rent. You must pay your Rent on or before the 1st day of each month (due date) without demand. There are no exceptions regarding the payment of Rent, and you agree not paying Rent on or before the 1st of each month is a material breach of this Lease.**
 - 3.1. **Payments.** You will pay your Rent by any method, manner and place we specify in accordance with this Lease. **Cash is not acceptable without our prior written permission. You cannot withhold or offset Rent unless authorized by law.** We may, at our option, require at any time that you pay Rent and other sums due in one single payment by any method we specify.
 - 3.2. **Application of Payments.** Payment of each sum due is an independent covenant, which means payments are due regardless of our performance. When we receive money, other than water and wastewater payments subject to government regulation, we may apply it at our option and without notice first to any of your unpaid obligations, then to accrued rent. We may do so regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than Rent and late fees are due upon our demand. After the due date, we do not have to accept any payments.
 - 3.3. **Late Fees.** If we don't receive your monthly base rent in full when it's due, you must pay late fees as outlined in Lease Details.
 - 3.4. **Returned Payment Fee.** You'll pay the fee listed in Lease Details for each returned check or rejected electronic payment, plus initial and daily late fees if applicable, until we receive full payment in an acceptable method.
 - 3.5. **Utilities and Services.** You'll pay for all utilities and services, related deposits, and any charges or fees when they are due and as outlined in this Lease. Television channels that are provided may be changed during the Lease term if the change applies to all residents.

If your electricity is interrupted, you must use only battery-operated lighting (no flames). You must not allow any utilities (other than cable or Internet) to be cut off or switched for any reason—including disconnection for not paying your bills—until the Lease term or renewal period ends. If a utility is individually metered, it must be connected in your name and you must notify the provider of your move-out date. If you delay getting service turned on in your name by this Lease's start date or cause it to be transferred back into our name before you surrender or abandon the apartment, you'll be liable for the charge listed above (not to exceed \$50 per billing period), plus the actual or estimated cost of the utilities used while the utility should have been billed to you. If your apartment is individually metered and you change your retail electric provider, you must give us written notice. You must pay all applicable provider fees, including any fees to change service back into our name after you move out.
 - 3.6. **Lease Changes.** Lease changes are only allowed during the Lease term or renewal period if governed by Par. 10, specified in Special Provisions in Par. 32, or by a written addendum or amendment signed by you and us. At or after the end of the initial Lease term, Rent increases will become effective with at least 5 days plus the number of days' advance notice contained in Box F on page 1 in writing from us to you. Your new Lease, which may include increased Rent or Lease changes, will begin on the date stated in any advance notice we provide (without needing your signature) unless you give us written move-out notice under Par. 25, which applies only to the end of the current Lease term or renewal period.
4. **Automatic Lease Renewal and Notice of Termination.** This Lease will automatically renew month-to-month unless either party gives written notice of termination or intent to move out as required by Par. 25 and specified on page 1. **If the number of days isn't filled in, notice of at least 30 days is required.**
5. **Security Deposit.** The total security deposit for all residents is due on or before the date this Lease is signed. Any animal deposit will be designated in an animal addendum. Security deposits may not be applied to Rent without our prior written consent.
 - 5.1. **Refunds and Deductions. You must give us your advance notice of move out as provided by Par. 25 and forwarding address in writing to receive a written description and itemized list of charges or refund. In accordance with this Lease and as allowed by law, we may deduct from your security deposit any amounts due under this Lease. If you move out early or in response to a notice to vacate, you'll be liable for rekeying charges.** Upon receipt of your move-out date and forwarding address in writing, the security deposit will be returned (less lawful deductions) with an itemized accounting of any deductions, no later than 30 days after surrender or abandonment, unless laws provide otherwise. Any refund may be by one payment jointly payable to all residents and distributed to any one resident we choose, or distributed equally among all residents.
6. **Insurance. Our insurance doesn't cover the loss of or damage to your personal property.** You will be required to have liability insurance as specified in this Lease unless otherwise prohibited by law. If you have insurance covering the apartment or your personal belongings at the time you or we suffer or allege a loss, you agree to require your insurance carrier to waive any insurance subrogation rights. Even if not required, we urge you to obtain your own insurance for losses due to theft, fire, flood, water, pipe leaks and similar occurrences. Most renter's insurance policies don't cover losses due to a flood.
7. **Reletting and Early Lease Termination.** This Lease may not be terminated early except as provided in this Lease.
 - 7.1. **Reletting Charge.** You'll be liable for a reletting charge as listed in Lease Details, (not to exceed 85% of the highest monthly Rent during the Lease term) if you: (A) fail to move in, or fail to give written move-out notice as required in Par. 25; (B) move out without paying Rent in full for the entire Lease term or renewal period; (C) move out at our demand because of your default; or (D) are judicially evicted. The reletting charge is not a termination, cancellation or buyout fee and does not release you from your obligations under this Lease, including liability for future or past-due Rent, charges for damages or other sums due.

The reletting charge is a liquidated amount covering only part of our damages—for our time, effort, and expense in finding and processing a replacement resident. These damages are uncertain and hard to ascertain—particularly those relating to inconvenience, paperwork, advertising, showing apartments, utilities for showing, checking prospects, overhead, marketing costs, and locator-service fees. You agree that the reletting charge is a reasonable estimate of our damages and that the charge is due whether or not our reletting attempts succeed.
 - 7.2. **Early Lease Termination Option Procedure.** In addition to your termination rights referred to in 7.3 or 8.1 below, if this provision applies under Lease Details, you may opt to terminate this Lease prior to the end of the Lease term **if all of the following occur:** (a) as outlined in Lease Details, you give us written notice of early termination, pay the Early Termination Option fee in full and specify the date by which you'll move out; (b) you are not in default at any time and do not hold over; and (c) you repay all rent concessions, credits or discounts you received during the Lease term. If you are in default, the Lease remedies apply.
 - 7.3. **Special Termination Rights. You may have the right under Texas law to terminate this Lease early in certain situations involving military deployment or transfer, family violence, certain sexual offenses, stalking or death of a sole resident.**
8. **Delay of Occupancy.** We are not responsible for any delay of your occupancy caused by construction, repairs, cleaning, or a previous resident's holding over. This Lease will remain in force subject to (1) abatement of Rent on a daily basis during delay, **and** (2) your right to terminate this Lease in writing as set forth below. Rent abatement and Lease termination do not apply if the delay is for cleaning or repairs that don't prevent you from moving into the apartment.
 - 8.1. **Termination.** If we give written notice to you of a delay in occupancy when or after this Lease begins, you may terminate this Lease within 3 days after you receive written notice.

If we give you written notice before the date this Lease begins and the notice states that a construction or other delay is expected and that the apartment will be ready for you to occupy on a specific date, you may terminate this Lease within 7 days after receiving written notice.

After proper termination, you are entitled only to refund of any deposit(s) and any Rent you paid.

9. Care of Unit and Damages. You must promptly pay or reimburse us for loss, damage, consequential damages, government fines or charges, or cost of repairs or service in the apartment community because of a Lease violation; improper use, negligence, or other conduct by you, your invitees, your occupants, or your guests; or, as allowed by law, any other cause not due to our negligence or fault, except for damages by acts of God to the extent they couldn't be mitigated by your action or inaction.

Unless damage or wastewater stoppage is due to our negligence, we're not liable for—and you must pay for—repairs and replacements occurring during the Lease term or renewal period, including: (A) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment; (B) damage to doors, windows, or screens; and (C) damage from windows or doors left open.

RESIDENT LIFE

10. Community Policies. Community Policies become part of this Lease and must be followed. We may make changes, including additions, to our written Community Policies, and those changes can become effective immediately if the Community Policies are distributed and applicable to all units in the apartment community and do not change the dollar amounts owed under this Lease.

10.1. Photo/Video Release. You give us permission to use any photograph, likeness, image or video taken of you while you are using property common areas or participating in any event sponsored by us.

10.2. Disclosure of Information. At our sole option, we may, but are not obligated to, share and use information related to this Lease for law-enforcement, governmental, or business purposes. At our request, you authorize any utility provider to give us information about pending or actual connections or disconnections of utility service to your apartment.

10.3. Guests. We may exclude from the apartment community any guests or others who, in our sole judgment, have been violating the law, violating this Lease or our Community Policies, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area anyone who refuses to show photo identification or refuses to identify himself or herself as a resident, an authorized occupant, or a guest of a specific resident in the community.

Anyone not listed in this Lease cannot stay in the apartment for more than 5 days in one week without our prior written consent, and no more than twice that many days in any one month. If the previous space isn't filled in, 2 days total per week will be the limit.

10.4. Notice of Convictions and Registration. You must notify us within 15 days if you or any of your occupants: (A) are convicted of any felony, (B) are convicted of any misdemeanor involving a controlled substance, violence to another person, or destruction of property, or (C) register as a sex offender. Informing us of a criminal conviction or sex-offender registration doesn't waive any rights we may have against you.

10.5. Odors, Noise and Construction. You agree that odors and smells (including those related to cooking), everyday noises or sounds related to repair, renovation, improvement, or construction in or around the property are all a normal part of a multifamily living environment and that it is impractical for us to prevent them from penetrating your apartment.

11. Conduct. You agree to communicate and conduct yourself in a lawful, courteous and reasonable manner at all times when interacting with us, our representatives and other residents or occupants. Any acts of unlawful, discourteous or unreasonable communication or conduct by you, your occupants or guests is a breach of this Lease.

You must use customary diligence in maintaining the apartment, keeping it in a sanitary condition and not damaging or littering the common areas. Trash must be disposed of at least weekly. You will use your apartment and all other areas, including any balconies, with reasonable care. We may regulate the use of passageways, patios, balconies, porches, and activities in common areas.

11.1. Prohibited Conduct. You, your occupants, and your guests will not engage in certain prohibited conduct, including the following activities:

- criminal conduct; manufacturing, delivering, or possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; or, except when allowed by law, displaying or possessing a gun, knife, or other weapon in the common area, or in a way that may alarm others;
- behaving in a loud, obnoxious or dangerous manner;

(c) disturbing or threatening the rights, comfort, health, safety, or convenience of others, including us, our agents, or our representatives;

(d) disrupting our business operations;

(e) storing anything in closets containing water heaters or gas appliances;

(f) tampering with utilities or telecommunication equipment;

(g) bringing hazardous materials into the apartment community;

(h) using windows for entry or exit;

(i) heating the apartment with gas-operated appliances;

(j) making bad-faith or false allegations against us or our agents to others;

(k) smoking of any kind, that is not in accordance with this Lease;

(l) using glass containers in or near pools; or

(m) conducting any kind of business (including child-care services) in your apartment or in the apartment community—except for any lawful business conducted "at home" by computer, mail, or telephone if customers, clients, patients, employees or other business associates do not come to your apartment for business purposes.

12. Animals. No living creatures of any kind are allowed, even temporarily, anywhere in the apartment or apartment community unless we've given written permission. If we allow an animal, you must sign a separate Animal Addendum and, except as set forth in the addendum, pay an animal deposit and applicable fees and additional monthly rent, as applicable. An animal deposit is considered a general security deposit. You represent that any requests, statements and representations you make, including those for an assistance or support animal, are true, accurate and made in good faith. Feeding stray, feral or wild animals is a breach of this Lease.

12.1. Removal of Unauthorized Animal. We may remove an unauthorized animal by (1) leaving, in a conspicuous place in the apartment, a written notice of our intent to remove the animal within 24 hours; and (2) following the procedures of Par. 14. We may: keep or kennel the animal; turn the animal over to a humane society, local authority or rescue organization; or return the animal to you if we consent to your request to keep the animal and you have completed and signed an Animal Addendum and paid all fees. When keeping or kenneling an animal, we won't be liable for loss, harm, sickness, or death of the animal unless due to our negligence. You must pay for the animal's reasonable care and kenneling charges.

12.2. Violations of Animal Policies and Charges. If you or any guest or occupant violates the animal restrictions of this Lease or our Community Policies, you'll be subject to charges, damages, eviction, and other remedies provided in this Lease, including animal violation charges listed in Lease Details from the date the animal was brought into your apartment until it is removed. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for all cleaning and repair costs, including defleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead in enforcing animal restrictions and Community Policies.

13. Parking. You may not be guaranteed parking. We may regulate the time, manner, and place of parking of all motorized vehicles and other modes of transportation, including bicycles and scooters, in this Lease. In addition to other rights we have to tow or boot vehicles under state law, we also have the right to remove, at the expense of the vehicle owner or operator, any vehicle that is not in compliance with this Lease.

14. When We May Enter. If you or any other resident, guest or occupant is present, then repair or service persons, contractors, law officers, government representatives, lenders, appraisers, prospective residents or buyers, insurance agents, persons authorized to enter under your rental application, or our representatives may peacefully enter the apartment at reasonable times for reasonable business purposes. If nobody is in the apartment, then any such person may enter peacefully and at reasonable times (by breaking a window or other means when necessary) for reasonable business purposes if written notice of the entry is left in a conspicuous place in the apartment immediately after the entry. We are under no obligation to enter only when you are present, and we may, but are not obligated to, give prior notice or make appointments.

15. Requests, Repairs and Malfunctions.

15.1. Written Requests Required. *If you or any occupant needs to send a request—for example, for repairs, installations, services, ownership disclosure, or security-related matters—it must be written and delivered to our designated representative in accordance with this Lease* (except for fair-housing accommodation or modification requests or situations involving imminent danger or threats to health or safety, such as fire, smoke, gas, explosion, or crime in progress). Our written notes regarding your oral request do not constitute a written request from you. Our complying with or responding to any oral request doesn't waive the strict requirement for written notices under this Lease. A request for maintenance or repair by anyone residing in your apartment constitutes a request from all residents. **The time, manner, method and means of performing maintenance and repairs, including whether or which vendors to use, are within our sole discretion.**

15.2. Your Requirement to Notify. You must promptly notify us in writing of air conditioning or heating problems, water leaks or moisture, mold, electrical problems, malfunctioning lights, broken or missing locks or latches, or any other condition that poses a hazard or threat to property, health, or safety. Unless we instruct otherwise, you are required to keep the apartment cooled or heated according to this Lease. Air conditioning problems are normally not emergencies.

15.3. Utilities. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to perform work or to avoid property damage or other emergencies. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately.

15.4. Your Remedies. We'll act with customary diligence to make repairs and reconnections within a reasonable time, taking into consideration when casualty-insurance proceeds are received. Unless required by statute after a casualty loss, or during equipment repair, your Rent will not abate in whole or in part. "Reasonable time" accounts for the severity and nature of the problem and the reasonable availability of materials, labor, and utilities. ***If we fail to timely repair a condition that materially affects the physical health or safety of an ordinary resident as required by the Texas Property Code, you may be entitled to exercise remedies under § 92.056 and § 92.0561 of the Texas Property Code. If you follow the procedures under those sections, the following remedies, among others, may be available to you: (1) termination of this Lease and an appropriate refund under 92.056(f); (2) have the condition repaired or remedied according to § 92.0561; (3) deduct from the Rent the cost of the repair or remedy according to § 92.0561; and 4) judicial remedies according to § 92.0563.***

16. Our Right to Terminate for Apartment Community Damage or Closure. If, in our sole judgment, damages to the unit or building are significant or performance of needed repairs poses a danger to you, we may terminate this Lease and your right to possession by giving you at least 7 days' written notice. If termination occurs, you agree we'll refund only prorated rent and all deposits, minus lawful deductions. We may remove and dispose of your personal property if, in our sole judgment, it causes a health or safety hazard or impedes our ability to make repairs.

16.1. Property Closure. We also have the right to terminate this Lease and your right to possession by giving you at least 30 days' written notice of termination if we are demolishing your apartment or closing it and it will no longer be used for residential purposes for at least 6 months, or if any part of the property becomes subject to an eminent domain proceeding.

17. Assignments and Subletting. You may not assign this Lease or sublet your apartment. You agree that you won't rent, offer to rent or license all or any part of your apartment to anyone else unless otherwise agreed to in advance by us in writing. You agree that you won't accept anything of value from anyone else for the use of any part of your apartment. You agree not to list any part of your apartment on any lodging or short-term rental website or with any person or service that advertises dwellings for rent.

18. Security and Safety Devices. **We'll pay for missing security devices that are required by law. You'll pay for: (A) rekeying that you request (unless we failed to rekey after the previous resident moved out); and (B) repairs or replacements because of misuse or damage by you or your family, your occupants, or your guests.** You must pay immediately after the work is done unless state law authorizes advance payment. You must also pay in advance for any additional or changed security devices you request.

Texas Property Code secs. 92.151, 92.153, and 92.154 require, with some exceptions, that we provide at no cost to you when occupancy begins: (A) a window latch on each window; (B) a doorviewer (peephole or window) on each exterior door; (C) a pin lock on each sliding door; (D) either a door-handle latch or a security bar on each sliding door; (E) a keyless bolting device (deadbolt) on each exterior door; and (F) either a keyed doorknob lock or a keyed deadbolt lock on one entry door. Keyed locks will be rekeyed after the prior resident moves out. The rekeying will be done either before you move in or within 7 days after you move in, as required by law. If we fail to install or rekey security devices as required by law, you have the right to do so and deduct the reasonable cost from your next Rent payment under Texas Property Code sec. 92.165(1). We may deactivate or not install keyless bolting devices on your doors if (A) you or an occupant in the dwelling is over 55 or disabled, and (B) the requirements of Texas Property Code sec. 92.153(e) or (f) are satisfied.

18.1. Smoke Alarms and Detection Devices. We'll furnish smoke alarms or other detection devices required by law or city ordinance. We may install additional detectors not so required. We'll test them and provide working batteries when you first take possession of your apartment. Upon request, we'll provide, as required by law, a smoke alarm capable of alerting a person with a hearing impairment.

You must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. Neither you nor your guests or occupants may disable alarms or detectors. ***If you damage or disable the smoke alarm or remove a battery without replacing it with a working battery, you may be liable to us under Texas Property Code sec. 92.2611 for \$100 plus one month's Rent, actual damages, and attorney's fees.***

18.2. Duty to Report. You must immediately report to us any missing, malfunctioning or defective security devices, smoke alarms or detectors. You'll be liable if you fail to report malfunctions, or fail to report any loss, damage, or fines resulting from fire, smoke, or water.

19. Resident Safety and Loss. ***Unless otherwise required by law, none of us, our employees, agents, or management companies are liable to you, your guests or occupants for any damage, personal injury, loss to personal property, or loss of business or personal income, from any cause, including but not limited to: negligent or intentional acts of residents, occupants, or guests; theft, burglary, assault, vandalism or other crimes; fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosions, interruption of utilities, pipe leaks or other occurrences unless such damage, injury or loss is caused exclusively by our negligence.***

We do not warrant security of any kind. You agree that you will not rely upon any security measures taken by us for personal security, and that you will call 911 and local law enforcement authorities if any security needs arise.

You acknowledge that we are not equipped or trained to provide personal security services to you, your guests or occupants. You recognize that we are not required to provide any private security services and that no security devices or measures on the property are fail-safe. You further acknowledge that, even if an alarm or gate amenities are provided, they are mechanical devices that can malfunction. Any charges resulting from the use of an intrusion alarm will be charged to you, including, but not limited to, any false alarms with police/fire/ambulance response or other required city charges.

20. Condition of the Premises and Alterations.

20.1. As-Is. We disclaim all implied warranties. You accept the apartment, fixtures, and furniture as is, except for conditions materially affecting the health or safety of ordinary persons. You'll be given an Inventory and Condition Form at or before move-in. You agree that after completion of the form or **within 48 hours** after move-in, whichever comes first, you must note on the form all defects or damage, sign the form, return it to us, and the form accurately reflects the condition of the premises for purposes of determining any refund due to you when you move out. Otherwise, everything will be considered to be in a clean, safe, and good working condition. You must still send a separate request for any repairs needed as provided by Par. 15.1.

20.2. Standards and Improvements. Unless authorized by law or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. Unless this Lease states otherwise, we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls. No water furniture, washing machines, dryers, extra phone or television outlets, alarm systems, cameras, two-way talk device, video or other door-

bells, or lock changes, additions, or rekeying is permitted unless required by law or we've consented in writing. You may install a satellite dish or antenna, but only if you sign our satellite dish or antenna lease addendum, which complies with reasonable restrictions allowed by federal law. You must not alter, damage, or remove our property, including alarm systems, detection devices, appliances, furniture, telephone and television wiring, screens, locks, or security devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (made with or without our consent) become ours unless we agree otherwise in writing.

21. Notices. Written notice to or from our employees, agents, or management companies constitutes notice to or from us. Notices to you or any other resident of the apartment constitute notice to all residents. Notices and requests from any resident constitute notice from all residents. Only residents can give notice of Lease termination and intent to move out under Par. 7.3. All notices and documents will be in English and, at our option, in any other language that you read or speak.

21.1. Electronic Notice. Notice may be given electronically **by us to you** if allowed by law. If allowed by law and in accordance with this Lease, electronic notice **from you to us** must be sent to the email address and/or portal specified in this Lease. Notice may also be given by phone call or to a physical address if allowed in this Lease.

You represent that you have provided your current email address to us, and that you will notify us in the event your email address changes.

EVICTIION AND REMEDIES

22. Liability. Each resident is jointly and severally liable for all Lease obligations. If you or any guest or occupant violates this Lease or our Community Policies, all residents are considered to have violated this Lease.

22.1. Indemnification by You. *You'll defend, indemnify and hold us and our employees, agents, and management company harmless from all liability arising from your conduct or requests to our representatives and from the conduct of or requests by your invitees, occupants or guests.*

23. Default by Resident.

23.1. Acts of Default. You'll be in default if: (A) you don't timely pay Rent, including monthly recurring charges, or other amounts you owe; (B) you or any guest or occupant violates this Lease, our Community Policies, or fire, safety, health, criminal or other laws, regardless of whether or where arrest or conviction occurs; (C) you give incorrect, incomplete, or false answers in a rental application or in this Lease; or (D) you or any occupant is charged, detained, convicted, or given deferred adjudication or pretrial diversion for (1) an offense involving actual or potential physical harm to a person, or involving the manufacture or delivery of a controlled substance, marijuana, or drug paraphernalia as defined in the Texas Controlled Substances Act, or (2) any sex-related crime, including a misdemeanor.

23.2. Eviction. *If you default, including holding over, we may end your right of occupancy by giving you at least a 24-hour written notice to vacate.* Termination of your possession rights doesn't release you from liability for future Rent or other Lease obligations. *After giving notice to vacate or filing an eviction suit, we may still accept Rent or other sums due; the filing or acceptance doesn't waive or diminish our right of eviction or any other contractual or statutory right.* Accepting money at any time doesn't waive our right to damages, to past or future Rent or other sums, or to our continuing with eviction proceedings. In an eviction, Rent is owed for the full rental period and will not be prorated.

23.3. Acceleration. Unless we elect not to accelerate Rent, all monthly Rent for the rest of the Lease term or renewal period will be accelerated automatically without notice or demand (before or after acceleration) and will be immediately due if, without our written consent: (A) you move out, remove property in preparing to move out, or you or any occupant gives oral or written notice of intent to move out before the Lease term or renewal period ends; and (B) you haven't paid all Rent for the entire Lease term or renewal period. Remaining Rent will also be accelerated if you're judicially evicted or move out when we demand because you've defaulted.

If you don't pay the first month's Rent when or before this Lease begins, all future Rent for the Lease term will be automatically accelerated without notice and become immediately due. We also may end your right of occupancy and recover damages, future Rent, attorney's fees, court costs, and other lawful charges.

23.4. Holdover. You and all occupants must vacate and surrender the apartment by or before the date contained in: (1) your move-out notice (2) our notice to vacate, (3) our notice of non-renewal, or (4) a written agreement specifying a different move-out date. If a holdover occurs, then you'll be liable to us for all Rent for the full term of the previously signed lease of a new resident who can't occupy because of the holdover, and at our option, we may extend the Lease term and/or increase the Rent by 25% by delivering written notice to you or your apartment while you continue to hold over.

23.5. Other Remedies. We may report unpaid amounts to credit agencies as allowed by law. If we or our debt collector tries to collect any money you owe us, you agree that we or the debt collector may contact you by any legal means. If you default, you will pay us, in addition to other sums due, any rental discounts or concessions agreed to in writing that have been applied to your account. We may recover attorney's fees in connection with enforcing our rights under this Lease. All unpaid amounts you owe bear interest at the rate provided by Texas Finance Code Section 304.003(c) from the due date. You must pay all collection-agency fees if you fail to pay sums due within 10 days after you are mailed a letter demanding payment and stating that collection-agency fees will be added if you don't pay all sums by that deadline. You are also liable for a charge (not to exceed \$150) to cover our time, cost and expense for any eviction proceeding against you, plus our attorney's fees and expenses, court costs, and filing fees actually paid.

24. Representatives' Authority and Waivers. *Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate this Lease or any part of it unless in writing and signed, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives, unless in writing and signed.*

No action or omission by us will be considered a waiver of our rights or of any subsequent violation, default, or time or place of performance. **Our choice to enforce, not enforce or delay enforcement of written-notice requirements, rental due dates, acceleration, liens, or any other rights isn't a waiver under any circumstances.** Delay in demanding sums you owe is not a waiver. Except when notice or demand is required by law, you waive any notice and demand for performance from us if you default. Nothing in this Lease constitutes a waiver of our remedies for a breach under your prior lease that occurred before the Lease term begins. Your Lease is subordinate to existing and future recorded mortgages, unless the owner's lender chooses otherwise.

All remedies are cumulative. Exercising one remedy won't constitute an election or waiver of other remedies. All provisions regarding our nonliability or nonduty apply to our employees, agents, and management companies. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.

END OF THE LEASE TERM

25. Move-Out Notice. *Before moving out, you must give our representative advance written move-out notice as stated in Par. 4, even if this Lease has become a month-to-month lease.* The move-out date can't be changed unless we and you both agree in writing.

Your move-out notice must comply with each of the following:

- Unless we require more than 30 days' notice, if you give notice on the first day of the month you intend to move out, move out will be on the last day of that month.
- Your move-out notice must not terminate this Lease before the end of the Lease term or renewal period.
- If we require you to give us more than 30 days' written notice to move out before the end of the Lease term, we will give you 1 written reminder not less than 5 days nor more than 90 days before your deadline for giving us your written move-out notice. If we fail to give a reminder notice, 30 days' written notice to move out is required.
- You must get from us a written acknowledgment of your notice.

26. Move-Out Procedures.

26.1. Cleaning. You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges—including charges for cleaning carpets, draperies, furniture, walls, etc. that are soiled beyond

normal wear (that is, wear or soiling that occurs without negligence, carelessness, accident, or abuse).

26.2. Move-Out Inspection. We may, but are not obligated to, provide a joint move-out inspection. Our representatives have no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final accounting or refunding.

27. Surrender and Abandonment. You have **surrendered** the apartment when: (A) the move-out date has passed and no one is living in the apartment in our reasonable judgment; **or** (B) apartment keys and access devices listed in Par. 2.1 have been turned in to us—which ever happens first.

You have **abandoned** the apartment when all of the following have occurred: (A) everyone appears to have moved out in our reasonable judgment; (B) you've been in default for nonpayment of Rent for 5 consecutive days, or water, gas, or electric service for the apartment not connected in our name has been terminated or transferred; **and** (C) you've not responded for 2 days to our notice left on the inside of the main entry door stating that we consider the apartment abandoned. An apartment is also considered abandoned 10 days after the death of a sole resident.

27.1. The Ending of Your Rights. Surrender, abandonment, or judicial eviction ends your right of possession for all purposes and gives us the immediate right to clean up, make repairs in, and relet the apartment; determine any security-deposit deductions; and remove or store property left in the apartment.

27.2. Removal and Storage of Property. We, or law officers, may—but have no duty to—remove or store all property that in our sole judgment belongs to you and remains in the apartment or in common areas (including any vehicles you or any occupant or guest owns or uses) after you're judicially evicted or if you surrender or abandon the apartment.

We're not liable for casualty, loss, damage, or theft. You must pay reasonable charges for our packing, removing and storing any property.

Except for animals, we may throw away or give to a charitable organization all personal property that is:

- (1) left in the apartment after surrender or abandonment; **or**
- (2) left outside more than 1 hour after writ of possession is executed, following judicial eviction.

An animal removed after surrender, abandonment, or eviction may be kenneled or turned over to a local authority, humane society, or rescue organization.

YOU UNDERSTAND THAT, WITHOUT THIS WAIVER, YOU COULD BE A PARTY IN A CLASS ACTION LAWSUIT. BY SIGNING THIS LEASE, YOU ACCEPT THIS WAIVER AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY. THE PROVISIONS OF THIS PARAGRAPH SHALL SURVIVE THE TERMINATION OR EXPIRATION OF THIS LEASE.

31.2. Force Majeure. If we are prevented from completing substantial performance of any obligation under this Lease by occurrences that are beyond our control, including but not limited to, an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage or governmental regulation, then we shall be excused from any further performance of obligations to the fullest extent allowed by law.

32. Special Provisions. The following, or attached Special Provisions and any addenda or Community Policies provided to you, are part of this Lease and supersede any conflicting provisions in this Lease.

I have read and received a copy of the apt community policies. Resident is responsible for trash fee and admin fee. Only units at addresses 930 and 1018 come with washer/dryer. GENERAL PROVISIONS AND SIGNATURES

28. TAA Membership. We, the management company representing us, or any locator service that you used confirms membership in good standing of both the Texas Apartment Association and the affiliated local apartment association for the area where the apartment is located at the time of signing this Lease. If not, the following applies: (A) this Lease is voidable at your option and is unenforceable by us (except for property damages); and (B) we may not recover past or future rent or other charges. The above remedies also apply if both of the following occur: (1) this Lease is automatically renewed on a month-to-month basis more than once after membership in TAA and the local association has lapsed; and (2) neither the owner nor the management company is a member of TAA and the local association during the third automatic renewal. A signed affidavit from the affiliated local apartment association attesting to nonmembership when this Lease or renewal was signed will be conclusive evidence of nonmembership. Governmental entities may use TAA forms if TAA agrees in writing.

Name, address and telephone number of locator service (if applicable):

29. Severability and Survivability. If any provision of this Lease is invalid or unenforceable under applicable law, it won't invalidate the remainder of this Lease or change the intent of the parties. **Paragraphs 10.1, 10.2, 16, 22.1, 27, 30 and 31 shall survive the termination of this Lease.** This Lease binds subsequent owners.

30. Controlling Law. Texas law governs this Lease. All litigation arising under this Lease and all Lease obligations must be brought in the county, and precinct if applicable, where the apartment is located.

31. Waivers. By signing this Lease, you agree to the following:

31.1. Class Action Waiver. You agree that you will not participate in any class action claims against us or our employees, agents, or management company. You must file any claim against us individually, and **you expressly waive your right to bring, represent, join or otherwise maintain a class action, collective action or similar proceeding against us in any forum.**

Mold Information and Prevention Addendum

Please note: We want to maintain a high-quality living environment for our residents. To help achieve this goal, it is important that we work together to minimize any mold growth in your dwelling. This Addendum contains important information for you, and responsibilities for both you and us.

1. Addendum. This is an addendum between the Residents and Owner as described in the Lease for the dwelling described below:

Unit # 8
at Place to Be Properties, as agent for the owner

(name of apartments)

or other dwelling located at _____

(street address of house, duplex, etc.)

City/State/Zip where dwelling is located: _____

2. About Mold. Mold is found everywhere in our environment, both indoors and outdoors and in both new and old structures. To avoid mold growth, it's important to **prevent excess moisture buildup** in your dwelling. Promptly notify us in writing about any air-conditioning or heating-system problems and any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease to repair or remedy the situation.

If small areas of mold have already accumulated on nonporous surfaces (such as ceramic tile, formica, vinyl flooring, metal, wood, or plastic), **the Environmental Protection Agency recommends that you first clean the areas with soap** (or detergent) and water and let the surface dry thoroughly. When the surface is dry—and within 24 hours of cleaning—apply a premixed spray-on household biocide.

Do not clean or apply biocides to visible mold on porous surfaces such as sheetrock walls or ceilings or to large areas of visible mold on nonporous surfaces. Instead, notify us in writing and we will take appropriate action to comply with Section 92.051 et seq. of the Texas Property Code, subject to the special exceptions for natural disasters.

If you fail to comply with this addendum, you can be held responsible for property damage to the dwelling and any health problems that may result.

**This Addendum is part of your Lease.
You are legally bound by this document. Please read it carefully.**

Water allocation and submetering is regulated by the Texas Public Utility Commission (PUC). In accordance with PUC rules, a copy of the applicable rules is provided to you below:

SUBCHAPTER I: WATER UTILITY SUBMETERING AND ALLOCATION

§ 24.275. General Rules and Definitions

(a) Purpose and scope. The provisions of this subchapter are intended to establish a comprehensive regulatory system to assure that the practices involving submetered and allocated billing of dwelling units and multiple use facilities for water and sewer utility service are just and reasonable and include appropriate safeguards for tenants.

(b) Application. The provisions of this subchapter apply to apartment houses, condominiums, multiple use facilities, and manufactured home rental communities billing for water and wastewater utility service on a submetered or allocated basis. The provisions of this subchapter do not limit the authority of an owner, operator, or manager of an apartment house, manufactured home rental community, or multiple use facility to charge, bill for, or collect rent, an assessment, an administrative fee, a fee relating to upkeep or management of chilled water, boiler, heating, ventilation, air conditioning, or other building system, or any other amount that is unrelated to water and sewer utility service costs.

(c) Definitions. The following words and terms, when used in this subchapter, have the defined meanings, unless the context clearly indicates otherwise.

(1) Allocated utility service--Water or wastewater utility service that is master metered to an owner by a retail public utility and allocated to tenants by the owner.

(2) Apartment house--A building or buildings containing five or more dwelling units that are occupied primarily for nontransient use, including a residential condominium whether rented or owner occupied, and if a dwelling unit is rented, having rent paid at intervals of one month or more.

(3) Condominium manager--A condominium unit owners' association organized under Texas Property Code §82.101, or an incorporated or unincorporated entity comprising the council of owners under Chapter 81, Property Code. Condominium Manager and Manager of a Condominium have the same meaning.

(4) Customer service charge--A customer service charge is a rate that is not dependent on the amount of water used through the master meter.

(5) Dwelling unit--One or more rooms in an apartment house or condominium, suitable for occupancy as a residence, and containing kitchen and bathroom facilities; a unit in a multiple use facility; or a manufactured home in a manufactured home rental community.

(6) Dwelling unit base charge--A flat rate or fee charged by a retail public utility for each dwelling unit recorded by the retail public utility.

(7) Manufactured home rental community--A property on which spaces are rented for the occupancy of manufactured homes for nontransient residential use and for which rental is paid at intervals of one month or longer.

(8) Master meter--A meter used to measure, for billing purposes, all water usage of an apartment house, condominium, multiple use facility, or manufactured home rental community, including common areas, common facilities, and dwelling units.

(9) Multiple use facility--A commercial or industrial park, office complex, or marina with five or more units that are occupied primarily for nontransient use and are rented at intervals of one month or longer.

(10) Occupant--A tenant or other person authorized under a written agreement to occupy a dwelling.

(11) Overcharge--The amount, if any, a tenant is charged for submetered or nonsubmetered master metered utility service to the tenant's dwelling unit after a violation occurred relating to the assessment of a portion of utility costs in excess of the amount the tenant would have been charged under this subchapter. Overcharge and Overbilling have the same meaning.

(12) Owner--The legal titleholder of an apartment house, a manufactured home rental community, or a multiple use facility; and any individual, firm, or corporation expressly identified in the lease agreement as the landlord of tenants in the apartment house, manufactured home rental community, or multiple use facility. The term does not include the manager of an apartment home unless the manager is expressly identified as the landlord in the lease agreement.

(13) Point-of-use submeter--A device located in a plumbing system to measure the amount of water used at a specific point of use, fixture, or appliance, including a sink, toilet, bathtub, or clothes washer.

(14) Submetered utility service--Water utility service that is master metered for the owner by the retail public utility and individually metered by the owner at each dwelling unit; wastewater utility service based on

submetered water utility service; water utility service measured by point-of-use submeters when all of the water used in a dwelling unit is measured and totaled; or wastewater utility service based on total water use as measured by point-of-use submeters.

(15) Tenant--A person who owns or is entitled to occupy a dwelling unit or multiple use facility unit to the exclusion of others and, if rent is paid, who is obligated to pay for the occupancy under a written or oral rental agreement.

(16) Undercharge--The amount, if any, a tenant is charged for submetered or nonsubmetered master metered utility service to the tenant's dwelling unit less than the amount the tenant would have been charged under this subchapter. Undercharge and Underbilling have the same meaning.

(17) Utility costs--Any amount charged to the owner by a retail public utility for water or wastewater service. Utility Costs and Utility Service Costs have the same meaning.

(18) Utility service--For purposes of this subchapter, utility service includes only drinking water and wastewater.

§ 24.277. Owner Registration and Records

(a) Registration. An owner who intends to bill tenants for submetered or allocated utility service or who changes the method used to bill tenants for utility service shall register with the commission in a form prescribed by the commission.

(b) Water quantity measurement. Except as provided by subsections (c) and (d) of this section, a manager of a condominium or the owner of an apartment house, manufactured home rental community, or multiple use facility, on which construction began after January 1, 2003, shall provide for the measurement of the quantity of water, if any, consumed by the occupants of each unit through the installation of:

(1) submeters, owned by the property owner or manager, for each dwelling unit or rental unit; or

(2) individual meters, owned by the retail public utility, for each dwelling unit or rental unit.

(c) Plumbing system requirement. An owner of an apartment house on which construction began after January 1, 2003, and that provides government assisted or subsidized rental housing to low or very low income residents shall install a plumbing system in the apartment house that is compatible with the installation of submeters for the measurement of the quantity of water, if any, consumed by the occupants of each unit.

(d) Installation of individual meters. On the request by the property owner or manager, a retail public utility shall install individual meters owned by the utility in an apartment house, manufactured home rental community, multiple use facility, or condominium on which construction began after January 1, 2003, unless the retail public utility determines that installation of meters is not feasible. If the retail public utility determines that installation of meters is not feasible, the property owner or manager shall install a plumbing system that is compatible with the installation of submeters or individual meters. A retail public utility may charge reasonable costs to install individual meters.

(e) Records. The owner shall make the following records available for inspection by the tenant or the commission or commission staff at the on-site manager's office during normal business hours in accordance with subsection (g) of this section. The owner may require that the request by the tenant be in writing and include:

(1) a current and complete copy of TWC, Chapter 13, Subchapter M;

(2) a current and complete copy of this subchapter;

(3) a current copy of the retail public utility's rate structure applicable to the owner's bill;

(4) information or tips on how tenants can reduce water usage;

(5) the bills from the retail public utility to the owner;

(6) for allocated billing:

(A) the formula, occupancy factors, if any, and percentages used to calculate tenant bills;

(B) the total number of occupants or equivalent occupants if an equivalency factor is used under §24.281(e)(2) of this title (relating to Charges and Calculations); and

(C) the square footage of the tenant's dwelling unit or rental space and the total square footage of the apartment house, manufactured home rental community, or multiple use facility used for billing if dwelling unit size or rental space is used;

(7) for submetered billing:

- (A) the calculation of the average cost per gallon, liter, or cubic foot;
 - (B) if the unit of measure of the submeters or point-of-use submeters differs from the unit of measure of the master meter, a chart for converting the tenant's submeter measurement to that used by the retail public utility;
 - (C) all submeter readings; and
 - (D) all submeter test results;
 - (8) the total amount billed to all tenants each month;
 - (9) total revenues collected from the tenants each month to pay for water and wastewater service; and
 - (10) any other information necessary for a tenant to calculate and verify a water and wastewater bill.
- (f) Records retention. Each of the records required under subsection (e) of this section shall be maintained for the current year and the previous calendar year, except that all submeter test results shall be maintained until the submeter is permanently removed from service.
- (g) Availability of records.
- (1) If the records required under subsection (e) of this section are maintained at the on-site manager's office, the owner shall make the records available for inspection at the on-site manager's office within three days after receiving a written request.
 - (2) If the records required under subsection (e) of this section are not routinely maintained at the on-site manager's office, the owner shall provide copies of the records to the on-site manager within 15 days of receiving a written request from a tenant or the commission or commission staff.
 - (3) If there is no on-site manager, the owner shall make copies of the records available at the tenant's dwelling unit at a time agreed upon by the tenant within 30 days of the owner receiving a written request from the tenant.
 - (4) Copies of the records may be provided by mail if postmarked by midnight of the last day specified in paragraph (1), (2), or (3) of this subsection.

§ 24.279. Rental Agreement

- (a) Rental agreement content. The rental agreement between the owner and tenant shall clearly state in writing:
- (1) the tenant will be billed by the owner for submetered or allocated utility services, whichever is applicable;
 - (2) which utility services will be included in the bill issued by the owner;
 - (3) any disputes relating to the computation of the tenant's bill or the accuracy of any submetering device will be between the tenant and the owner;
 - (4) the average monthly bill for all dwelling units in the previous calendar year and the highest and lowest month's bills for that period;
 - (5) if not submetered, a clear description of the formula used to allocate utility services;
 - (6) information regarding billing such as meter reading dates, billing dates, and due dates;
 - (7) the period of time by which owner will repair leaks in the tenant's unit and in common areas, if common areas are not submetered;
 - (8) the tenant has the right to receive information from the owner to verify the utility bill; and
 - (9) for manufactured home rental communities and apartment houses, the service charge percentage permitted under §24.281(d)(3) of this title (relating to Charges and Calculations) that will be billed to tenants.
- (b) Requirement to provide rules. At the time a rental agreement is discussed, the owner shall provide a copy of this subchapter or a copy of the rules to the tenant to inform the tenant of his rights and the owner's responsibilities under this subchapter.
- (c) Tenant agreement to billing method changes. An owner shall not change the method by which a tenant is billed unless the tenant has agreed to the change by signing a lease or other written agreement. The owner shall provide notice of the proposed change at least 35 days prior to implementing the new method.
- (d) Change from submetered to allocated billing. An owner shall not change from submetered billing to allocated billing, except after receiving written approval from the commission after a demonstration of good cause and if the rental agreement requirements under subsections (a), (b), and (c) of this section have been met. Good cause may include:
- (1) equipment failures; or
 - (2) meter reading or billing problems that could not feasibly be corrected.

(e) Waiver of tenant rights prohibited. A rental agreement provision that purports to waive a tenant's rights or an owner's responsibilities under this subchapter is void.

§ 24.281. Charges and Calculations

- (a) Prohibited charges. Charges billed to tenants for submetered or allocated utility service may only include bills for water or wastewater from the retail public utility and must not include any fees billed to the owner by the retail public utility for any deposit, disconnect, reconnect, late payment, or other similar fees.
- (b) Dwelling unit base charge. If the retail public utility's rate structure includes a dwelling unit base charge, the owner shall bill each dwelling unit for the base charge applicable to that unit. The owner may not bill tenants for any dwelling unit base charges applicable to unoccupied dwelling units.
- (c) Customer service charge. If the retail public utility's rate structure includes a customer service charge, the owner shall bill each dwelling unit the amount of the customer service charge divided by the total number of dwelling units, including vacant units, that can receive service through the master meter serving the tenants.
- (d) Calculations for submetered utility service. The tenant's submetered charges must include the dwelling unit base charge and customer service charge, if applicable, and the gallonage charge and must be calculated each month as follows:
- (1) water utility service: the retail public utility's total monthly charges for water service (less dwelling unit base charges or customer service charges, if applicable), divided by the total monthly water consumption measured by the retail public utility to obtain an average water cost per gallon, liter, or cubic foot, multiplied by the tenant's monthly consumption or the volumetric rate charged by the retail public utility to the owner multiplied by the tenant's monthly water consumption;
 - (2) wastewater utility service: the retail public utility's total monthly charges for wastewater service (less dwelling unit base charges or customer service charges, if applicable), divided by the total monthly water consumption measured by the retail public utility, multiplied by the tenant's monthly consumption or the volumetric wastewater rate charged by the retail public utility to the owner multiplied by the tenant's monthly water consumption;
 - (3) service charge for manufactured home rental community or the owner or manager of apartment house: a manufactured home rental community or apartment house may charge a service charge in an amount not to exceed 9% of the tenant's charge for submetered water and wastewater service, except when:
 - (A) the resident resides in a unit of an apartment house that has received an allocation of low income housing tax credits under Texas Government Code, Chapter 2306, Subchapter DD; or
 - (B) the apartment resident receives tenant-based voucher assistance under United States Housing Act of 1937 Section 8, (42 United States Code, §1437f); and
 - (4) final bill on move-out for submetered service: if a tenant moves out during a billing period, the owner may calculate a final bill for the tenant before the owner receives the bill for that period from the retail public utility. If the owner is billing using the average water or wastewater cost per gallon, liter, or cubic foot as described in paragraph (1) of this subsection, the owner may calculate the tenant's bill by calculating the tenant's average volumetric rate for the last three months and multiplying that average volumetric rate by the tenant's consumption for the billing period.
- (e) Calculations for allocated utility service.
- (1) Before an owner may allocate the retail public utility's master meter bill for water and sewer service to the tenants, the owner shall first deduct:
- (A) dwelling unit base charges or customer service charge, if applicable; and
 - (B) common area usage such as installed landscape irrigation systems, pools, and laundry rooms, if any, as follows:
 - (i) if all common areas are separately metered or submetered, deduct the actual common area usage;
 - (ii) if common areas that are served through the master meter that provides water to the dwelling units are not separately metered or submetered and there is an installed landscape irrigation system, deduct at least 25% of the retail public utility's master meter bill;
 - (iii) if all water used for an installed landscape irrigation system is metered or submetered and there are other common areas such as pools or laundry rooms that are not metered or submetered, deduct at least 5% of the retail public utility's master meter bill; or
 - (iv) if common areas that are served through the master meter that provides water to the dwelling units are not separately metered or

submetered and there is no installed landscape irrigation system, deduct at least 5% of the retail public utility's master meter bill.

(2) To calculate a tenant's bill:

(A) for an apartment house, the owner shall multiply the amount established in paragraph (1) of this subsection by:

(i) the number of occupants in the tenant's dwelling unit divided by the total number of occupants in all dwelling units at the beginning of the month for which bills are being rendered; or

(ii) the number of occupants in the tenant's dwelling unit using a ratio occupancy formula divided by the total number of occupants in all dwelling units at the beginning of the retail public utility's billing period using the same ratio occupancy formula to determine the total. The ratio occupancy formula will reflect what the owner believes more accurately represents the water use in units that are occupied by multiple tenants. The ratio occupancy formula that is used must assign a fractional portion per tenant of no less than that on the following scale:

(I) dwelling unit with one occupant = 1;

(II) dwelling unit with two occupants = 1.6;

(III) dwelling unit with three occupants = 2.2; or

(IV) dwelling unit with more than three occupants = 2.2 + 0.4 per each additional occupant over three; or

(iii) the average number of occupants per bedroom, which shall be determined by the following occupancy formula. The formula must calculate the average number of occupants in all dwelling units based on the number of bedrooms in the dwelling unit according to the scale below, notwithstanding the actual number of occupants in each of the dwelling unit's bedrooms or all dwelling units:

(I) dwelling unit with an efficiency = 1;

(II) dwelling unit with one bedroom = 1.6;

(III) dwelling unit with two bedrooms = 2.8;

(IV) dwelling unit with three bedrooms = 4 + 1.2 for each additional bedroom; or

(iv) a factor using a combination of square footage and occupancy in which no more than 50% is based on square footage. The square footage portion must be based on the total square footage living area of the dwelling unit as a percentage of the total square footage living area of all dwelling units of the apartment house; or

(v) the individually submetered hot or cold water usage of the tenant's dwelling unit divided by all submetered hot or cold water usage in all dwelling units;

(B) a condominium manager shall multiply the amount established in paragraph (1) of this subsection by any of the factors under subparagraph (A) of this paragraph or may follow the methods outlined in the condominium contract;

(C) for a manufactured home rental community, the owner shall multiply the amount established in paragraph (1) of this subsection by:

(i) any of the factors developed under subparagraph (A) of this paragraph; or

(ii) the area of the individual rental space divided by the total area of all rental spaces; and

(D) for a multiple use facility, the owner shall multiply the amount established in paragraph (1) of this subsection by:

(i) any of the factors developed under subparagraph (A) of this paragraph; or

(ii) the square footage of the rental space divided by the total square footage of all rental spaces.

(3) If a tenant moves in or out during a billing period, the owner may calculate a bill for the tenant. If the tenant moves in during a billing period, the owner shall prorate the bill by calculating a bill as if the tenant were there for the whole month and then charging the tenant for only the number of days the tenant lived in the unit divided by the number of days in the month multiplied by the calculated bill. If a tenant moves out during a billing period before the owner receives the bill for that period from the retail public utility, the owner may calculate a final bill. The owner may calculate the tenant's bill by calculating the tenant's average bill for the last three months and multiplying that average bill by the number of days the tenant was in the unit divided by the number of days in that month.

(f) Conversion to approved allocation method. An owner using an allocation formula other than those approved in subsection (e) of this section shall immediately provide notice as required under §24.279(c) of this title (relating to Rental Agreement) and either:

(1) adopt one of the methods in subsection (e) of this section; or

(2) install submeters and begin billing on a submetered basis; or

(3) discontinue billing for utility services.

§ 24.283. Billing

(a) Monthly billing of total charges. The owner shall bill the tenant each month for the total charges calculated under §24.281 of this title (relating to Charges and Calculations). If it is permitted in the rental agreement, an occupant or occupants who are not residing in the rental unit for a period longer than 30 days may be excluded from the occupancy calculation and from paying a water and sewer bill for that period.

(b) Rendering bill.

(1) Allocated bills shall be rendered as promptly as possible after the owner receives the retail public utility bill.

(2) Submeter bills shall be rendered as promptly as possible after the owner receives the retail public utility bill or according to the time schedule in the rental agreement if the owner is billing using the retail public utility's rate.

(c) Submeter reading schedule. Submeters or point-of-use submeters shall be read within three days of the scheduled reading date of the retail public utility's master meter or according to the schedule in the rental agreement if the owner is billing using the retail public utility's rate.

(d) Billing period.

(1) Allocated bills shall be rendered for the same billing period as that of the retail public utility, generally monthly, unless service is provided for less than that period.

(2) Submeter bills shall be rendered for the same billing period as that of the retail public utility, generally monthly, unless service is provided for less than that period. If the owner uses the retail public utility's actual rate, the billing period may be an alternate billing period specified in the rental agreement.

(e) Multi-item bill. If issued on a multi-item bill, charges for submetered or allocated utility service must be separate and distinct from any other charges on the bill.

(f) Information on bill. The bill must clearly state that the utility service is submetered or allocated, as applicable, and must include all of the following:

(1) total amount due for submetered or allocated water;

(2) total amount due for submetered or allocated wastewater;

(3) total amount due for dwelling unit base charge(s) or customer service charge(s) or both, if applicable;

(4) total amount due for water or wastewater usage, if applicable;

(5) the name of the retail public utility and a statement that the bill is not from the retail public utility;

(6) name and address of the tenant to whom the bill is applicable;

(7) name of the firm rendering the bill and the name or title, address, and telephone number of the firm or person to be contacted in case of a billing dispute; and

(8) name, address, and telephone number of the party to whom payment is to be made.

(g) Information on submetered service. In addition to the information required in subsection (f) of this section, a bill for submetered service must include all of the following:

(1) the total number of gallons, liters, or cubic feet submetered or measured by point-of-use submeters;

(2) the cost per gallon, liter, or cubic foot for each service provided; and

(3) total amount due for a service charge charged by an owner of a manufactured home rental community, if applicable.

(h) Due date. The due date on the bill may not be less than 16 days after it is mailed or hand delivered to the tenant, unless the due date falls on a federal holiday or weekend, in which case the following work day will be the due date. The owner shall record the date the bill is mailed or hand delivered. A payment is delinquent if not received by the due date.

(i) Estimated bill. An estimated bill may be rendered if a master meter, submeter, or point-of-use submeter has been tampered with, cannot be read, or is out of order; and in such case, the bill must be distinctly marked as an estimate and the subsequent bill must reflect an adjustment for actual charges.

(j) Payment by tenant. Unless utility bills are paid to a third-party billing company on behalf of the owner, or unless clearly designated by the tenant, payment must be applied first to rent and then to utilities.

(k) Overbilling and underbilling. If a bill is issued and subsequently found to be in error, the owner shall calculate a billing adjustment. If the tenant is due a refund, an adjustment must be calculated for all of that tenant's bills that

included overcharges. If the overbilling or underbilling affects all tenants, an adjustment must be calculated for all of the tenants' bills. If the tenant was undercharged, and the cause was not due to submeter or point-of-use submeter error, the owner may calculate an adjustment for bills issued in the previous six months. If the total undercharge is \$25 or more, the owner shall offer the tenant a deferred payment plan option, for the same length of time as that of the underbilling. Adjustments for usage by a previous tenant may not be back billed to a current tenant.

(l) Disputed bills. In the event of a dispute between a tenant and an owner regarding any bill, the owner shall investigate the matter and report the results of the investigation to the tenant in writing. The investigation and report must be completed within 30 days from the date the tenant gives written notification of the dispute to the owner.

(m) Late fee. A one-time penalty not to exceed 5% may be applied to delinquent accounts. If such a penalty is applied, the bill must indicate the amount due if the late penalty is incurred. No late penalty may be applied unless agreed to by the tenant in a written lease that states the percentage amount of such late penalty.

§ 24.285. Complaint Jurisdiction

(a) Jurisdiction. The commission has exclusive jurisdiction for violations under this subchapter.

(b) Complaints. If an apartment house owner, condominium manager, manufactured home rental community owner, or other multiple use facility owner violates a commission rule regarding utility costs, the person claiming the violation may file a complaint with the commission and may appear remotely for a hearing.

§ 24.287. Submeters or Point-of-Use Submeters and Plumbing Fixtures

(a) Submeters or point-of-use submeters.

(1) Same type submeters or point-of-use submeters required. All submeters or point-of-use submeters throughout a property must use the same unit of measurement, such as gallon, liter, or cubic foot.

(2) Installation by owner. The owner shall be responsible for providing, installing, and maintaining all submeters or point-of-use submeters necessary for the measurement of water to tenants and to common areas, if applicable.

(3) Submeter or point-of-use submeter tests prior to installation. No submeter or point-of-use submeter may be placed in service unless its accuracy has been established. If any submeter or point-of-use submeter is removed from service, it must be properly tested and calibrated before being placed in service again.

(4) Accuracy requirements for submeters and point-of-use submeters. Submeters must be calibrated as close as possible to the condition of zero error and within the accuracy standards established by the American Water Works Association (AWWA) for water meters. Point-of-use submeters must be calibrated as closely as possible to the condition of zero error and within the accuracy standards established by the American Society of Mechanical Engineers (ASME) for point-of-use and branch-water submetering systems.

(5) Location of submeters and point-of-use submeters. Submeters and point-of-use submeters must be installed in accordance with applicable plumbing codes and AWWA standards for water meters or ASME standards for point-of-use submeters, and must be readily accessible to the tenant and to the owner for testing and inspection where such activities will cause minimum interference and inconvenience to the tenant.

(6) Submeter and point-of-use submeter records. The owner shall maintain a record on each submeter or point-of-use submeter which includes:

- (A) an identifying number;
- (B) the installation date (and removal date, if applicable);
- (C) date(s) the submeter or point-of-use submeter was calibrated or tested;
- (D) copies of all tests; and
- (E) the current location of the submeter or point-of-use submeter.

(7) Submeter or point-of-use submeter test on request of tenant. Upon receiving a written request from the tenant, the owner shall either:

- (A) provide evidence, at no charge to the tenant, that the submeter or point-of-use submeter was calibrated or tested within the preceding 24 months and determined to be within the accuracy standards established by the AWWA for water meters or ASME standards for point-of-use submeters; or
- (B) have the submeter or point-of-use submeter removed and tested and promptly advise the tenant of the test results.

(8) Billing for submeter or point-of-use submeter test.

(A) The owner may not bill the tenant for testing costs if the submeter fails to meet AWWA accuracy standards for water meters or ASME standards for point-of-use submeters.

(B) The owner may not bill the tenant for testing costs if there is no evidence that the submeter or point-of-use submeter was calibrated or tested within the preceding 24 months.

(C) The owner may bill the tenant for actual testing costs (not to exceed \$25) if the submeter meets AWWA accuracy standards or the point-of-use submeter meets ASME accuracy standards and evidence as described in paragraph (7)(A) of this subsection was provided to the tenant.

(9) Bill adjustment due to submeter or point-of-use submeter error. If a submeter does not meet AWWA accuracy standards or a point-of-use submeter does not meet ASME accuracy standards and the tenant was overbilled, an adjusted bill must be rendered in accordance with §24.283(k) of this title (relating to Billing). The owner may not charge the tenant for any underbilling that occurred because the submeter or point-of-use submeter was in error.

(10) Submeter or point-of-use submeter testing facilities and equipment. For submeters, an owner shall comply with the AWWA's meter testing requirements. For point-of-use meters, an owner shall comply with ASME's meter testing requirements.

(b) Plumbing fixtures. After January 1, 2003, before an owner of an apartment house, manufactured home rental community, or multiple use facility or a manager of a condominium may implement a program to bill tenants for submetered or allocated water service, the owner or manager shall adhere to the following standards:

(1) Texas Health and Safety Code, §372.002, for sink or lavatory faucets, faucet aerators, and showerheads;

(2) perform a water leak audit of each dwelling unit or rental unit and each common area and repair any leaks found; and

(3) not later than the first anniversary of the date an owner of an apartment house, manufactured home rental community, or multiple use facility or a manager of a condominium begins to bill for submetered or allocated water service, the owner or manager shall:

(A) remove any toilets that exceed a maximum flow of 3.5 gallons per flush; and

(B) install toilets that meet the standards prescribed by Texas Health and Safety Code, §372.002.

(c) Plumbing fixture not applicable. Subsection (b) of this section does not apply to a manufactured home rental community owner who does not own the manufactured homes located on the property of the manufactured home rental community.
